(305) 887-3020

- 1) Order # given does not match anything from Battaglia Shoes or Worldwide Shoes
- 2) Can't verify Receipt of Shoes
- 3) If rec'd shoes may have been forwarded to another store though this isn't likely
- 4) Reviewed all Battaglia daily sales slips from 1-92 thru 8-92 w/o success
- 5) IF Bruno Magli can provide shipping info, shipper may have record of who signed for shipment at store & this may help to locate sales info

- ① Doesn't remember selling any Bruno Magli Lorenzo or Lyon style shoes
- ② B/M shoe line was discontinued from stock for last 2-3 years - just began to stock them again
- ③ Special order records reviewed from 1/90 - 8/93 w/neg. results
- ④ Will try to I.D. staff employed @ store during past time period
- ⑤ Order # given doesn't correspond to M. Sterling order numbers

Possible Lorenzo style numbers 36826 and 14410

TYPED LETTER DATED 6-23-94 TO
FBI NITZ SUPERVISOR

9/30/94

b6
b7C

b6
b7C

JUNE 23, 1994
09:30 A.M.

Turn to highlighted area.

AT 6.30 AM THIS MORNING I CALLED MY FAVORITE UNCLE AND DISCUSSED THIS THEORY WITH HIM. HE SAID IT'S VERY POSSIBLE AND THAT HE DOES BELIEVE THAT OJ IS INNOCENT OF THE MURDERS. BUT THAT NOT TO LOSE ANY SLEEP OVER IT. INNOCENT PEOPLE ARE SENT TO JAIL ALL THE TIME AND OJ HAS THE BEST LAWYERS.

THEN I ASKED HIM IF HE THOUGHT THAT I SHOULD RUN THIS PAST HIS SECOND COUSIN XXXX XXXXXXXX A DEPUTY SHERIFF WITH THE DODGE COUNTY.

HE SAID IT WOULDN'T HURT. THAT WAY XXXX COULD GIVE ME A COPS VIEWPOINT ON IT WITHOUT THINKING THAT I WAS CRAZY.

AT 7 AM I CALLED THE DODGE COUNTY SHERIFFS OFFICE, TOLD THEM WHO I WAS AND ASKED IF XXXX XXXXXXXX WAS THERE. THEY CHECKED AND SAID HE WOULDN'T BE IN UNTIL 10:30 AM. THEN THEY ASKED WHAT I WANTED AND I SAID I JUST WANTED A COPS VIEWPOINT.

THEM THE MAN SAID WELL I AM A COP WHY DON'T YOU ASK ME. I SAID YOU ARE PROBABLY GOING TO THINK THAT I AM CRAZY BUT I THINK THAT I KNOW WHO KILLED NICOLE AND GOLDMAN AND WHY AND WHERE THE MURDER WEAPON IS.

HE SAID THAT HE THOUGHT OJ WAS GUILTY. AND I ASKED HIM DO YOU THINK THAT THE LA POLICE HAVE COVERED EVERY ANGLE. HE SAID YES. THEN HE ASKED ME TO GO AHEAD AND TELL HIM MY THEORY ANYWAY. SO I DID. WHEN I FINISHED I ASKED IF HE THOUGHT IT WAS POSSIBLE THAT THE LA POLICE DEPT HAD OVERLOOKED THE FACT THAT GOLDMAN WAS GAY. HE SAID HE THOUGHT IT WAS POSSIBLE AND ASKED ME TO RETELL THE STORY TO ANOTHER COP. "OH MY GOD. OH MY GOD."

WHICH I DID. WITH THE SAME RESPONSE "OH MY GOD." QUOTE - UNQUOTE. I HAD CHANGED THE VIEWPOINT OF 2 COUNTY DEPUTIES. THEN HE SAID "WELL WE DON'T INVESTIGATE THIS. (WHICH I FIGURED ANYWAY). LET ME GET IN TOUCH WITH AN FBI AGENT AND HE'LL GET IN TOUCH WITH YOU."

AT 8.30 AM THE FBI AGENT CALLED. SEEMED NOT TOO EXCITED. TOLD ME THAT MY THEORY DIDN'T HOLD WATER. THAT THERE WAS NOT ONE FACT IN IT. THAT IT WAS ALL SPECULATION AND HIGHLY UNLIKELY SINCE IT BRINGS IN A WHOLE NEW SUSPECT.

THEN HE WENT ON FURTHER TO STATE HOW DO I EXPLAIN THE BLOODY CLOTHES FOUND IN THE SIMPSON HOUSE AND THE SKI MASK. I SAID THAT IT WAS REPORTED LAST NITE THAT NO CLOTHES WERE FOUND, THAT THERE NEVER WAS A SKI MASK.

THEN HE SAID LOOK LADY HE'S GUILTY. I CAN'T BELIEVE THAT THIS GUY HAD THE BEST THAT LIFE HAS TO OFFER AND HE JUST THREW IT AWAY AND HE BEAT HIS WIFE IN PRIVATE (A REALLY BRIGHT MORAN - - WHAT - - HE THOUGHT THAT ALL WIFE BEATERS BEAT THEIR WIVES IN PUBLIC!!!)

HE SOUNDED ALL UPSET THAT OJ WAS SO WEALTHY. LIKE IT WAS A CRIME TO BE RICH.

OJ WORKED FOR HIS MONEY - - HE WASN'T BORN INTO IT LIKE THE KENNEDYS AND THE ROCKEFELLERS. IS IT A CRIME TO WORK HARD? TO GET AHEAD? TO SUCCEED?

HE MADE IT SOUND LIKE OJ'S RICH AND THEREFORE HE DID IT. THEN HE TRIED TO SUGGEST THAT I DIDN'T KNOW THE SUBJECT OF WIFE ABUSE. I THEN TOLD HIM THAT ALL 4 OF MY SISTERS ARE MARRIED TO WIFE BEATERS, I KNOW ONLY TOO WELL THE PAIN THAT THEY SUFFER, I KNOW HOW IT AFFECTS THE RELATIVES ALSO.

THEN HE SAID WHOA ALL 4 ARE BATTERED WOMEN? WHAT'S WRONG WITH YOUR FAMILY ANYWAY? DO YOU ALL BEAT UP YOUR HUSBANDS? SEE IT'S EASY TO BLAME THE WIFE HA HA

VERY FUNNY DUDE!!

~~I THEN TOLD HIM THAT MY HUSBAND AND I ARE VERY HAPPILY MARRIED, HAVE BEEN FOR 7 YEARS. THAT WE WORK TOGETHER SIDE BY SIDE ALL DAY ON A SMALL HOBBY FARM AND THAT WE ALSO WORK TOGETHER SIDE BY SIDE AT A BAKERY. HE SCOFFED AND ASKED HOW LONG? WHEN I TOLD HIM WE HAD BEEN DOING THIS FOR 7 YEARS HIS MIGHTY ATTITUDE CHANGED AND HE SAID YOU ARE VERY BLESSED THEN. I SAID I KNOW, WE BOTH KNOW IT.~~

THEN HE SAID LADY DON'T LOSE SLEEP OVER THIS. JURIES HATE TO CONVICT ANYONE. HE WILL WALK AWAY FROM THIS IN A YR OR TWO. HE HAS 20-30 LAWYERS WORKING 20 HOURS PER DAY ON THIS CASE. THE COUNTY WILL BE LUCKY TO HAVE ONE ON THE DEFENSE SIDE AND HE WILL BE ONLY PART TIME DUE TO LACK OF FUNDS. IF YOU NEED SOMETHING TO WORRY ABOUT IT CAN GIVE YOU EXAMPLES OF PEOPLE IN HAITI, CUBA, OR AFRICA TO WORRY ABOUT. (SMART ASS) I AM MORE WORRIED ABOUT THE DECLINE IN THE JUSTICE SYSTEM THAN ANYTHING ELSE.

HE THEN SAID "IF IT WILL MAKE YOU FEEL BETTER. SEND A COPY TO THE HOMOCIDE DEPT IN CARE OF THE COUNTY OF THE CITY OF LOS ANGELES AND SEND ANOTHER COPY TO THE LAWYER OF OJ IN CARE OF THE SAME PLACE. ALL THEY WILL DO IS READ IT AND FILE IT."

"YOUR THEORY, IF READ WILL BE IMMEDIATELY DISCREDITED BY THE PROSECUTOR. ALL THAT YOUR LETTER WILL DO IS STRENGTHEN THE DEFENSE. AS IF IT NEEDS IT. IF YOU FEEL THAT YOU MUST THEN GO AHEAD AND SEND IT, BUT YOUR THEORY DOESN'T HOLD WATER - - I HOPE HE GETS THE MAXIMUM."

WHAT AN UPBEAT GUY. IF HE IS SO DISHEARTENED BY THE SYSTEM AS HE STATED IN THE DOMESTIC CASES AND TRIALS THAT HE LECTURED TO ME WHY DOESN'T HE JUST QUIT?

I CALLED
DODGE COUNTY AND TALKED WITH 2 DEPUTIES
I CALLED THE FBI IN ROCHESTER (AS ABOVE)
I CALLED A MPLS NEWS PAPER - THEY WEREN'T INTERESTED
I CALLED DODGE COUNTY AGAIN - WHO TOLD ME THEY COULDN'T HELP ME
I CALLED MPLS FBI - - THEY SAID THEY COULDN'T HELP ME
I MAILED THE LETTERS TO SHAPIRO AND MARCIA CLARK - EXPRESS, NEXT DAY AIR, RETURN RECEIPT REQUESTED.
I CALLED LOS ANGELES FBI
I TALKED TO YOU, MR. NITE SUPERVISOR. THANK YOU. THANK YOU.

JUNE 27, 1994
CHANNEL 9 SPECIAL NEWS
OJ SIMPSON - THE QUEST FOR JUSTICE

GLOVE WAS A 'WORK' GLOVE - - NOT A SKI GLOVE AS PREVIOUSLY REPORTED BY THE MEDIA.
THE BLOOD TESTS WERE INCONCLUSIVE.
GOLDMAN WAS WEARING BLUE JEANS AND A SWEATER WHEN KILLED (MEANING THAT HE WENT HOME AND CHANGED CLOTHES BEFORE HE WENT TO NICOLE'S HOUSE. WHEN NICOLE'S HOUSE WAS ONLY 2 BLOCKS AWAY - - WHY WOULD HE GO HOME TO CHANGE CLOTHES FIRST? THIS FACT CONTRADICTS WHAT [] SAID IN TUESDAY'S PAPER.)

A GIRL WHO KNEW GOLDMAN REPORTED IN AN INTERVIEW IN PART OF THIS SHOW THAT "GOLDMAN WAS TRYING TO FIND HIMSELF." (COULD THIS MEAN THAT GOLDMAN WAS QUESTIONING HIS GAYISM?)

?? IF [] WAS QUOTED IN TUESDAY'S PAPER - - WHY HASN'T ANY MEDIA QUESTIONED HIM SINCE?
?? WHY HASN'T ANYONE REPORTED THE FACT THAT GOLDMAN WAS GAY?
?? WHO ANSWERED THE PHONE AT THE MEZZALUNA RESTAURANTE WHEN NICOLE CALLED?
?? HOW MANY PEOPLE KNEW THAT GOLDMAN WAS GOING THERE TO DELIVER THE GLASSES?
/? WHY DIDN'T [] TRY TO CALL NICOLE WHEN GOLDMAN DIDN'T APPEAR TO BE AT HOME?
COULD [] HAVE CALLED GOLDMAN AND REALIZING THAT HE WASN'T HOME YET - --GET UPSET AND HEAD OVER TO NICOLE'S TO KILL HER. AFTER KILLING HER HE HIDES FROM GOLDMAN WHO APPEARS - - GLASSES IN HAND. [] UPSET AT HAVING HIS PLANS CHANGED THEN ALSO KILLS GOLDMAN?

RIGHT MOTIVE - - WRONG MAN???

DID THE POLICE SEEK TO OBTAIN THEIR OWN JUSTICE? WHERE THEY AS FRUSTRATED WITH NICOLE'S NOT PRESSING CHARGES AGAINST OJ AND THUS DID THEY DECIDE THAT NOW IS THE TIME TO PERSECUTE OJ ON NICOLE'S BEHALF? WAS THE INVESTIGATION PREJUDICED AGAINST OJ? COULD THE KNIFE BE AT THE MEZZALUNA RESTAURANT?

COULD THE CALLER TO NICOLE'S HOUSE WHEN OJ WAS 'ON THE RUN' HAVE BEEN THE MURDERER HIMSELF? THE PAPERS REPORTED THAT NO OJ APPEARED - - BUT DID []

THIS SHOW ALSO STATED THAT THE GYM BAG FOUND IN THE FIELD IN CHICAGO WAS NOT RECOGNIZED AS ONE OF OJ'S BY THE FLIGHT ATTENDANT.

COULD IT BE THAT OJ'S BRONCO WAS SEEN AT NICOLE'S HOUSE THAT NIGHT BECAUSE HE SWUNG BY TO SEE HER BEFORE LEAVING TOWN AND HAPPENED UPON THE MURDERS AND RAN KNOWING THAT HE WOULD BE A SUSPECT? COULD IT BE THAT []
OF OJ'S TAKEN THE BRONCO WITHOUT PERMISSION AND THAT HE WAS DRIVING THE BRONCO AT THE TIME THAT IT WAS SEEN? COULD IT BE POSSIBLE THAT OJ NEVER HEARD THE LIMO DRIVER WHEN HE DROVE UP BECAUSE HE WAS TAKING A SHOWER?
WHAT IS IT THAT [] WAS AFRAID OF THAT MADE HIM NOT WANT TO TESTIFY? WHY DID HE SEEK IMMUNITY PRIOR TO TESTIFYING TO THE GRAND JURY?

IT WAS ALSO STATED THAT GOLDMAN AND NICOLE WERE SEEING MORE AND MORE OF EACH OTHER. SPENDING MORE TIME TOGETHER. NICOLE THOUGHT SHE WAS BEING FOLLOWED BY OJ. COULD IT BE THAT NICOLE WAS FEELING THIS ONLY WHEN SHE WAS WITH GOLDMAN? COULD IT HAVE BEEN THAT BOTH OJ AND GOLDMAN'S [] WERE KEEPING TABS ON THE PAIR? BOTH MEN GETTING JEALOUS?

COULD IT BE POSSIBLE? AS EVIDENCED FROM THE 911 TAPE AIRINGS - - OJ IS A 'YELLER'. MEANING THAT HE REALLY YELLS. IS IT POSSIBLE THAT HE WOULD HAVE SHOWN UP THAT NIGHT AND NOT YELLED LOUD ENOUGH TO WAKE THE NEIGHBORS? I DON'T THINK SO.

ALSO, NICOLE WOULD NOT HAVE OPENED THE DOOR WILLINGLY IF OJ HAD BEEN OUTSIDE. SHE WOULD HAVE DONE WHAT SHE DID IN OCTOBER (AS WITNESSED BY THE 911 CALL) SHE WOULD HAVE CALLED FOR HELP. INSTINCTIVELY. THEREFORE THE PERSON AT THE DOOR COULD NOT HAVE BEEN OJ - - IT WAS A PERSON SHE RECOGNIZED AS FROM THE MEZZALUNA RESTAURANT. THINKING THAT IT WAS THE PERSON WHO WAS BRINGING OVER THE LOST GLASSES SHE OPENS THE DOOR TO HER DEATH.

IT STATED THAT NICOLE WAS KILLED FIRST WHEN SHE ANSWERED THE DOOR. THIS WOULD LEAD ME TO BELIEVE THAT THE MAN ON THE OTHER SIDE WAS NOT OJ BUT SOMEONE ELSE THAT SHE KNEW. PERHAPS [] THE KILLER?

IF IT HAD BEEN OJ - - AT THAT HOUR OF NIGHT - - WOULDN'T SHE DO WHAT SHE HAD DONE PREVIOUSLY AND CALLED THE COPS AND NOT OPEN THE DOOR? AS SCARED AS SHE

SOUNDED ON THE 911 TAPES AND THE FACT THAT SHE DIDN'T WANT TO BE ALONE IN THE HOUSE WITH OJ I FIND IT HARD TO BELIEVE THAT SHE WOULD JUST OPEN THE DOOR. MORE LIKELY SHE WOULD HAVE CALLED THE POLICE - - WHILE HE BROKE THE DOOR DOWN - - AS HEARD ON THE 911 TAPE OF OCTOBER.

PERSONALLY, THE 911 TAPES ONLY VERIFY MY CONVICTION - MY THEORY.

THE KILLER ENTERS THE HOUSE TO BE SURE THERE WAS NO ONE THERE - -GOLDMAN HAD NOT YET ARRIVED.HE RETURNS OUTSIDE TO FIND GOLDMAN PERCHED OVER NICOLE'S BODY AND STABS HIM FROM BEHIND. A FIGHT ENSUES - - WHICH ENDS IN GOLDMANS DEATH.

AS A LAST STAB AT THE MAN WHO HAS 'CHEATED ' ON HIM. THE KILLER ATTEMPTS TO CUTOFF THE EAR OF GOLDMAN. THE EAR WITH THE TELLTALE SIGN OF HIS GAYISM. THE GAYISM QUESTIONED BY GOLDMAN - -IN HIS QUEST TO FIND HIMSELF.

I DON'T HAVE ALL THE EVIDENCE - - THAT'S TRUE
BUT YOU DON'T HAVE MY DREAMS EITHER!!

THIS WHOLE CASE WOULDN'T BE SO INTREGUEING EXCEPT FOR THE FACT THAT I CAN'T SLEEP AT NIGHT. THE DREAMS THAT I HAVE - -WHERE PIECES OF THE PUZZLE FALL INTO PLACE. AND THE ULTIMATE DREAM - - THAT THE KILLER IS STILL OUT THERE AND NOW HE IS AFTER ME.

MY ODD HISTORY - There is more but it's revelation & disclosure would only hurt my family.

[REDACTED] - MY MOTHER GAVE BIRTH TO A BOY. THE FIRST BOY IN THE FAMILY WHICH UNTIL THEN CONSISTED ONLY OF 5 GIRLS. SHORTLY AFTER HE CAME HOME I AWOKE ONE NIGHT AND WALKED INTO THE LIVING ROOM WHERE MY MOTHER WAS SITTING IN A ROCKING CHAIR.(I DID NOT GO OVER TO HER , I ONLY ENTERED THE ROOM WHERE I COULD BE SEEN.) SHE WAS HOLDING THE BABY IN HER LAP, SHE WAS CRYING AND BATHING HIM WITH A WET CLOTH. MY DAD AT HER SIDE SLOWLY STOOD AS I ENTERED THE ROOM AND HE SAID "GET BACK TO BED!" I UTTERED THREE WORDS "CHANGE HIS NAME." MY MOTHER GOT HYSTERICAL AND SAID CHANGE HIS NAME. SHE KEPT REPEATING IT OVER AND OVER MY DAD SAID "DON'T BE RIDICULOUS - -'CHANGING HIS NAME WON'T HELP." SHE KEPT INSISTING. HE LEFT THE HOUSE FOR A WHILE. AS I CLIMBED IN TO BED I HAD A FEELING THAT IT WAS NOT TOO LATE. MY BROTHER HAD BEEN NAMED [REDACTED] - -NOW HE IS NAMED [REDACTED] I HAVE NEVER FOUND ANYTHING - - NOT EVEN IN HIS BABY BOOK THAT REFERS TO THIS CHANGE. MOM AND DAD SAID NOTHING - - NOT THEN - -NOT NOW. I HAVE NEVER ASKED THEM ABOUT IT. I AM NOT SURE THAT I WANT TO KNOW. LATER WHILE WORKING ON THE FAMILY TREE (GENEOLOGY) FOR A COLLEGE REPORT I DISCOVERED THAT MY MOM HAD A BROTHER THAT WAS STILLBORN AND HIS NAME WAS [REDACTED] MY AUNT ALSO HAD A SON WHO LIVE FOR A SHORT TIME AFTER BIRTH HIS NAME WAS ALSO [REDACTED] TELL ME - -WHY WOULD ANY WOMAN NAME HER ONLY SON WITH THE SAME NAME AS A BABY WHO HAD DIED? STRANGE. TO THIS DAY THERE ARE NO [REDACTED] IN THE FAMILY. IT NOW SEEMS TO BE A NAME RESERVED FOR STILLBORN BABIES.

[REDACTED] - - I WAS BURNING PAPERS OUTSIDE IN AGENCY IA WHEN I NOTICED A MOVEMENT IN THE WOODS AT THE CLEARING ON OUR LAND. A PERSON. THE MOVEMENT CONTINUED AND INTO THE CLEARING WALKED MY GRANDFATHER. MY DAD'S DAD. ONLY HE WAS DIFFERENT. HE HAD NO COAT ON, NO WALKING CANE , AND HE HAD BOTH EYES. (MY GRANDPA WAS A CARPENTER AND HAD LOST ONE EYE WHEN SHARPENING A TOOL. FOR THIS REASON I HAD ALWAYS BEEN AFRAID OF HIM - - THANKS TO MY BIG SISTER WHO INFORMED ME THAT HE WAS LOOKING FOR A REPLACEMENT EYE. SHE ALWAYS SAT ON HIS LAP AND I QUESTIONED HER ABOUT HIS NOT TAKING HERS. SHE SAID "MY EYES ARE BLUE, HE DOESN'T WANT A BLUE EYE AND A GREEN EYE, HE WANTS TWO GREEN EYES AND YOURS ARE GREEN.) I STOOD GAZING AT HIM AND AS HE SMILED SO DID I. HE NO LONGER NEEDED AN EYE. FOR NOW HE HAD TWO. AT THAT INSTANT DAD HOLLERED FROM THE HOUSE FOR MY SISTER AND I TO COME IN - NOW.

UPON ENTERING THE HOUSE WE WERE TOLD TO CHANGE CLOTHES, WE WERE GOING TO [REDACTED] GRANDPA [REDACTED] HAD DIED. I TRIED TO EXPLAIN THAT HE DIDN'T DIE HE WAS IN THE WOODS. NO ONE LISTENED TO ME. IN FACT MY DAD JUST HOLLERED "GET GOING." MY DAD WAS SO UPSET. I WANTED TO CONSOLE HIM. IT MUST BE A JOKE. I WALKED TO THE WINDOW FOR ONE LAST LOOK AT THE CLEARING BY THE WOODS. BUT THERE WAS NO ONE THERE. MY GRANDPA WAS GONE.

1970?- WE MOVED FROM A SMALL TOWN IN IOWA TO A FARM IN MN. I LOVED IT. SOMETIME SHORTLY AFTER I BECAME AWARE THAT 2 PEOPLE DIED IN THAT HOUSE. MY MOTHER CHECKED INTO IT WITH THE NEIGHBORS WHO HAD LIVED IN THE AREA ALWAYS AND THEY CONFIRMED IT. TWO PEOPLE HAD INDEED DIED THERE. ONE IN A FIRE AND ONE WAS A SUICIDE? THEY WEREN'T SURE. (SHORTLY AFTER MY OLDER SISTER INSISTED ON HAVING A OUIJI BOARD FOR CHRISTMAS - -MY DAD BOUGHT ONE - - I HOWEVER STAYED FAR AWAY FROM IT. ALL OF THE SUDDEN ON DAY IT WAS MISSING. I DON'T KNOW WHERE IT WENT OR WHY - - NOR DO I CARE TO KNOW.)

ONCE MY MOTHER WANTED TO 'SMOOTH OUT' SOME OF THE HAYFIELD - - A PART THAT WE HAD NOT FARMED BUT THAT SHE WANTED TO. MY BROTHERS WANTED TO RIDE ON THE DRAG - - A MAKESHIFT THING THAT WAS MADE OF HEAVY GIRDER LIKE BEAMS. SHE GOT UP TO THE TOP OF THE FIELD DRIVE - -EVERYTHING WAS FINE - I WAS RIDING NEXT TO HER ON THE TRACTOR. SHE STOPPED TO SHIFT GEARS AND I TOLD HER TO STOP AND LET THE BOYS OFF NOW! SHE LOOKED AT ME AND SAID "NO THIS WILL BE FUN." SHE HAD ONLY GONE A LITTLE WAY BEFORE DISASTER WAS EVIDENT. MY YOUNGEST BROTHER - - CLOSEST TO THE BACK JUMPED OFF WHEN THE BACK STARTED TO FLIP OVER TOWARD THE TRACTOR. MY OTHER BROTHER WAS NOT SO LUCKY - - HE HAD CHOSEN TO SIT IN THE MIDDLE.

I TOOK A LEAP TOWARD THE DRAG AND MANAGED TO GRASP IT - -IN TIME TO KEEP IT FROM CRUSHING MY BROTHER AND MOTHER BETWEEN THE TRACTOR AND THE DRAG. THE DRAG HAD HIT MY BROTHER CAUSING A SCRATCH AND MAYBE A BRUISE AND HE WAS CRYING - - BUT HE WAS ALIVE. I WAS SHAKEN. MY MOTHER GLARED AT ME. I DIDN'T DO IT. I JUST SOMEHOW KNEW THAT IT WOULD HAPPEN. THANKFULLY - - WE NEVER DID IT AGAIN. IN FACT I BELIEVE THAT IT SITS THERE EVEN NOW .

1974? - MY YOUNGER BROTHER HAD OFFERED TO HELP WITH FEEDING THE ANIMALS. I WAS THRILLED. UP TO THIS TIME I WAS THE ONLY ONE IN THE FAMILY WHO PREFERRED TO BE AROUND THE ANIMALS. I WAS DELIGHTED. HE WAS CHATTING AWAY AS WE WALKED FROM THE BARN UP THE HILL(AWAY FROM THE HOUSE) TO THE CORN CRIB. IT HAD BOARDS ACROSS THE DOORWAY TO KEEP THE CORN FROM FALLING OUT WHEN FULL. I OPENED THE OUTER DOOR AND HESITATED. SOMETHING WAS WRONG. WHAT. I LOOKED ON EITHER SIDE - -NOPE, NO SNAKES, NO ANIMALS. I STARTED TO ENTER AND HE BEGGED TO GO IN TO - -HE COULD NOT CLIMB IN BY HIMSELF. WITH AN UNEXPLAINABLE FEELING OF DREAD AND A QUESTION TO MYSELF, I MADE SURE IT WAS SAFE. GOT OUT AND LIFTED HIM OVER. I LOOKED AT A HOLE IN THE FLOOR - -NO TOO SMALL. I TURNED AND RETRIEVED THE PAIL FROM OUTSIDE OF THE CRIB - I WAS JUST TURNING AROUND WHEN I HEARD A CHILLING SCREAM. MY BROTHER HAD FALLEN IN THE HOLE - - ONLY ONE LEG CLEAR UP TO HIS HIP. HE WAS SCREAMING HYSTERICALLY. I TRIED TO CONSOLE HIM. HE COULD NOT GET OUT . I COULD NOT REMOVE EITHER BOARD. FEARING THAT HE WAS HURT I WANTED TO GO FOR HELP, FOR TOOLS ANYTHING. HE PROTESTED " DON'T LEAVE ME!" I HURRIED AND TRIED TO FEEL AROUND HIS LEG - -WAS THERE ANYTHING HE COULD GET HURT ON. I RUSH OUT OF THE CRIB TALKING TO HIM THE WHOLE TIME. I CRAWLED UNDER IT WHERE IT WAS DARK AND DIRTY I COULD SEE HIS LEG BUT AS I TOUCHED HIM HE AGAIN STARTED TO SCREAM. WHEN I RETURNED TO THE INSIDE HE WAS PALE AND HIS EYES WILD LOOKING. I HAD TO GET HIM OUT. HE WAS TRYING ON HIS OWN AND COULD NOT MOVE, NOR TURN . NOTHING. I BENT DOWN NEXT TO HIM AND HAD HIM PUT HIS ARMS AROUND MY NECK AND STRAINED TO PULL HIM UP. HE YELLED A BLOODY SCREAM. WHEN I LOOKED DOWN BLOOD WAS POURING OUT OF HIS LEG - - DAMNIT. DAMNIT. I GRABBED HIM AND CLEARED THE BOARDS AND RAN TO THE HOUSE SCREAMING. MY MOTHER CLEARED THE TABLE AND PUT WASHCLOTHS IN THE WOUND. ALL I COULD SAY WAS OVER AND OVER " I KNEW IT WOULD HAPPEN. I KNEW IT. I KNEW IT."

TO THIS DAY I CAN'T LOOK AT HIM WITHOUT KNOWING THAT IT WAS MY FAULT. HE HAS A HUGE SCAR FROM BELOW THE KNEE TO THE HIP. HE SAYS THAT IT WASN'T MY FAULT. HE HAD NEVER BLAMED ME. AND I LOVE HIM FOR IT - - EVEN THOUGH I KNOW THAT IT WAS. WHY DIDN'T I LISTEN TO MY SENSES. THE PREMONITIONS WHICH HAD BEEN SO RIGHT BEFORE.

HE NEVER OFFERED TO HELP ME AFTER THAT AND I THINK I WILL ALWAYS BE GRATEFUL . I NEVER WANT TO REPEAT IT.

IT WAS AT THIS TIME THAT I BEGAN TO QUESTION MYSELF. COULD I BE THE CAUSE? COULD I SOMEHOW BE A JINX TO THOSE I LOVE? TO THOSE WHO LOVE ME?

I WITHDREW WITHIN MYSELF - - PREFERRING TO SPEND TIME WITH MY ANIMALS TO JEOPARDIZING MY FAMILY. I WORKED FROM SUNUP TO SUNDOWN, THIS WAY I WOULD KEEP MY FAMILY SAFE. I FOUND THAT IF I WORKED HARD ENOUGH, WENT TO BED DEAD TIRED I SEEMED TO HAVE LESS DREAMS.

1976? - -SUMMER TIME. MY FATHER WANTED MY HELPING IN FIXING THE CORNPICKER. I BEGGED HIM - - CAN'T WE FIX IT TOMORROW. HE SAID HE WANTED IT FIXED NOW AND NEEDED MY HELP IN HOLDING UP THE ROLLERS. IT WAS AN AWKWARD POSITION. I WAS HALF BENT, HALF KNEERING NOT QUITE LAYING DOWN - - A POSITION NECESSARY TO HOLD THE ROLLERS UP . AFTER HOURS MY WHOLE BODY ACHED. I ATTEMPTED TO SWITCH HANDS AND CUT A FINGER. I DROPPED THE ROLLERS AND STOOD LOOKING AT THE OOZING BLOOD . I BECAME AWARE OF MY SISTERS AND BROTHERS YELLING. I LOOKED AT THEM WHERE THEY WERE PLAYING AND THEY YELLED "DAD WANTS YOU." I LOOKED TO MY DAD AND MY BLOOD CHILLED. HE WAS STILL STANDING NEXT TO THE CORNPICKER. HE SAID "LIFT IT. LIFT IT." I RAN BACK AND LIFTED UP THE DROPPED ROLLERS. WHEN I HAD CUT MY FINGER AND DROPPED THE ROLLERS THE GEARS HE HAD BEEN WORKING ON PINNED HIS FINGER BETWEEN TWO GEARS, BREAKING THROUGH THE FINGERNAIL. HE PULLED OUT A BLOODY HAND AND I WAS SURE HE WOULD PASS OUT OR DECK ME. I STOOD ROOTED TO THE SPOT. WAITING FOR HIM TO PASS OUT . HE SLOWLY STAGGERED TO THE TRUCK AND LAID OVER THE HOOD. WE DOCTORED HIM UP LATER - - EVEN THOUGH I WAS STILL AFRAID TO GET TOO CLOSE TO HIM.

(WE LAUGHED ABOUT IT LATER - - AFTER HIS FINGER HEALED - - BUT I NEVER TOLD HIM ABOUT MY DREAD - - WHY I HAD NOT WANTED TO WORK ON IT THAT DAY. I NEVER WILL. SOMETHINGS YOU JUST CAN'T EXPLAIN. I HAD ONCE AGAIN HURT SOMEONE I LOVED.)

1976 - - I SKIPPED SCHOOL ON IMPULSE AND WALKED TEN PLUS BLOCKS TO THE HOSPITAL TO VISIT MY OTHER GRANDPA (MY MOM'S DAD)WHO WAS IN THE HOSPITAL WITH CANCER.

I WENT DIRECTLY TO HIS ROOM IN INTENSIVE CARE EVEN THOUGH I HAD NOT BEEN THERE BEFORE. WHEN I WENT IN HE SAID 'I KNEW YOU WOULD COME.' THEN HE GRIPPED MY HAND IN HIS IN AN IRON DEATH GRIP AND SAID "KILL ME. PLEASE. JUST TAKE A GUN TO MY HEAD AND KILL ME. I CAN'T GO ON. YOU CAN DO IT , I KNOW YOU CAN. NO ONE ELSE CAN BUT I KNOW THAT YOU CAN." I WAS TERRIFIED. I HAVE NEVER BEEN VERY CLOSE TO ANYONE - -BUT I DID NOT WANT TO KILL HIM EITHER. I REMOVED MY HAND FROM HIS AND SCARED TO DEATH (TO QUOTE A PHRASE) I BACKED OUT OF THE ROOM. I STOOD IN THE HALLWAY SOBBING. NOT KNOWING WHICH WAY TO GO. WHERE TO TURN. I WAS LOST.

A WORKER AT THE HOSPITAL SAW ME AND ASKED WHAT WAS WRONG. I WAS SOBBING SO HARD I COULD NOT TELL HER. SHE THEN CHECKED THE LOG ON MY GRANDPA. MY GRANDMA SIGNED IN AND OUT SO THAT THE HOSPITAL ALWAYS KNEW WHERE TO GET AHOOLD OF HER.

THEY PAGED HER. SHE AND MY MOTHER WERE IN THE CAFETERIA . WHEN THEY ARRIVED I TOLD THEM WHY I WAS CRYING AND GRANDMA MARCHED RIGHT IN THERE AND TOLD HIM TO STOP IT. TOLD HIM THAT HE WAS SCARRING ME. I COULD NOT GO BACK INTO THE

b6
b7c

ROOM. HE RECOVERED AND WAS SENT HOME. FROM THERE HE WENT BACK AND FORTH BETWEEN THE NURSING HOME AND HIS TRAILER UNTIL HE DIED IN 1979.

I GAVE UP ON STUDYING FOR FINALS. THERE WAS ONLY ONE DAY LEFT BUT I KNEW I HAD TO DO SOMETHING MORE IMPORTANT. I MANAGED TO GET MY TWIN TO DRIVE WITH ME TO THE NURSING HOME IN [REDACTED] (FROM [REDACTED]). THAT WAS WHERE MY MOM'S DAD WAS STAYING. WE ARRIVED LATE. I HEARD GRANDPA SAY "IT'S ABOUT TIME. - THEY WERE ALMOST TOO LATE. " HE WAS REFERRING TO HIS TWIN SONS AND NOT TO [REDACTED] AND I HIS TWIN GRANDDAUGHTERS. AS WE WERE TALKING TO HIM (THE ROOM WAS DARK EXCEPT FOR A LIGHT OVER HIS BED) HE POINTED TOWARD THE CLOSET AND SAID "LOOK IT'S MARY," WE LOOKED AND THEN WE LOOKED AT EACH OTHER. "LOOK HE SAID ITS MARY, VIRGIN MARY. SHE'S SMILING AND WAVING AT ME." 2 HOURS AFTER WE LEFT HIM HE PASSED ON. GRANDPA [REDACTED] NEVER WAS A CHURCHGOER.

1980-1993 I KNEW EVERY TIME THAT MY SISTER WAS ABUSED BY HER HUSBAND. SHE NEVER TOLD ME. SHE HAD SHUT HERSELF OFF FROM THE FAMILY. SHE HAD MOVED FROM [REDACTED] I STILL KNEW WHAT WAS GOING ON BECAUSE EVERY TIME THAT I WENT TO SLEEP I WOULD SEE IT ALL IN MY DREAMS. I WANTED DESPERATELY TO COMPLETE COLLEGE. IT WAS BECOMING HARDER AND HARDER TO SLEEP. I TOOK PILLS TO SLEEP, PILLS TO WAKE UP, PILLS TO STAY AWAKE - - NOTHING WOULD STOP THE DREAMS.

1984 - -WHILE-WITH MY MOTHER AND SISTER ON A TRIP TO [REDACTED] MY MOTHER STOPPED AT A 4 WAY STOP. HER VIEW TO THE LEFT BLOCKED BY ANOTHER CAR (2 LANE FOURWAY STOP). SHE STARTED TO GO AND I SAID "STOP" SHE LOOKED AT ME AND HESITATED. THE CAR NEXT TO US MISSED THE ONCOMING CAR - -SHE DID NOT. HE HAD FAILED TO STOP AND WAIT HIS TURN. HE TRIED TO SNEAK IN BEHIND ANOTHER CAR AND WAS HIT BY MY MOM BECAUSE SHE SAW THE TWO CARS GO AND KNEW IT WAS HER TURN.

1985 - I WAS STAYING ON MY PARENTS FARM AND LOOKING AFTER IT FOR THEM WHILE THEY WERE ON ASSIGNMENT WITH [REDACTED] I WAS AGAIN ATTENDING COLLEGE. MY BROTHER WAS LIVING THERE TOO. ONE NIGHT AFTER HAVING GONE TO SLEEP I AWOKE FOR SOME REASON AND FELT MY LIFE IN DANGER. AFRAID I SLOWLY OPENED ONE EYE JUST A LITTLE BIT - - WHAT I SAW WAS MY BROTHER STANDING IN THE DOORWAY OF THE BEDROOM WITH A 22 IN HIS HAND POINTED IN MY DIRECTION. AFRAID AND KNOWING THAT DEATH WAS IMMINENT I DECIDED TO CLOSE MY EYES (MY FIRST URGE WAS TO SIT UP AND YELL AT HIM - - SOME HOW I KNEW THAT THIS WOULD CERTAINLY BRING MY DEATH.) AS I ACCEPTED WHAT I WAS SURE WOULD BE MY DEATH A STRANGE SHADOW CAME OVER THE BED - - AND I FELT INSTANTLY AT PEACE AS THOUGH EVERYTHING WOULD BE FINE - -OK. I HEARD A NOISE FROM MY BROTHER AND OPENED MY EYES VERY SLIGHTLY, IN TIME TO HEAR HIM SAY " OH MY GOD!" HE THEN SLOWLY LOWERED THE GUN AND BACKED OUT OF THE ROOM. AGAIN, WE NEVER TALKED ABOUT IT. I NEVER ASKED HIM WHAT HE SAW. I AM NOT SURE THAT I REALLY WANT TO KNOW. ALL THAT I AM SURE OF IS THAT HE NEVER AGAIN WENT INTO THAT ROOM - - AT LEAST OF WHICH I AM AWARE. HE MOVED OUT OF THE HOUSE AND IN WITH MY SISTER SHORTLY AFTER THAT. GUESS THAT YOU CAN'T REALLY BLAME HIM THOUGH RIGHT?

1986 - I TOLD MY FAVORITE UNCLE ABOUT ALL OF THIS. WE HAD GROWN VERY CLOSE AND I HAD TO TELL SOMEONE. HE BELIEVED ME. AND EVEN ASKED ME TO TELL HIM MORE. I DESCRIBED IN DETAIL A HOUSE - - EVEN DREW HIM A PICTURE. HE FELL SILENT - -HELD UP A FINGER AS IF CALCULATING. HE SAID THAT ONE OF MY AUNTS LIVED IN THAT HOUSE IN 1962 OR 63. I WAS ONLY 2 OR 3 AT THE TIME. I WAS SHOCKED-AND-~~SO WAS HE~~-I HAD DESCRIBED THE HOUSE IN EVERY DETAIL. HE SAID I WASN'T WEIRD - - JUST UNIQUE. HE THEN URGED ME TO WRITE DOWN ALL MY DREAMS AND DOCUMENT THEM AND HAVE SOMEONE ELSE SIGN IT. I LAUGHED AND SAID YEAH RIGHT. LIKE ANYONE IN THEIR RIGHT MIND WOULD?(NOW I WISH THAT I HAD TAKEN HIS WISE ADVICE.) SO LONG AS THE DREAMS AREN'T ABOUT SOMEONE I KNOW THERE'S REALLY NOT MUCH THAT I CAN DO. (AND UP UNTIL JUNE 17 TH I DIDN'T MUCH CARE.)

AUGUST 1987 I STARTED WORK IN A BAKERY NEXT TO MY APARTMENT TO FILL IN MY EXTRA TIME AND TO EARN SOME EXTRA MONEY.(I ALREADY HAD A FULLTIME JOB AT AN INSURANCE AGENCY.) THERE WAS A GOODLOOKING GUY THERE.

ANY TIME HE WOULD COME UP TO ME I WOULD ANSWER HIS QUESTION. AUTOMATICALLY UNTIL ONE TIME HE SAID " I DON'T KNOW HOW YOU DO IT, BUT I WISH YOU'D AT LEAST WAIT UNTIL I ASKED THE QUESTION BEFORE YOU ANSWERED IT." AND THEN HE WALKED AWAY. ONE QUESTION HE DID NOT ASK BUT I ANSWERED "YES I SLEPT WITH MY TEDDY BEAR LAST NIGHT?" IT WAS NOT A QUESTION HE HAD EVER ASKED BEFORE. NOR HAD WE EVER TALKED PERSONALLY - -ONLY ABOUT WORK AND ONLY LIMITED.

IN TIME I MARRIED THAT GORGEOUS MAN.

THROUGHOUT OUR MARRIAGE I HAVE TOLD HIM WHEN MY PARENTS WERE IN TOWN - - WITHOUT HAVING HEARD FROM THEM FIRST. TOLD HIM MY SISTER HAD A BABY - - EVEN THOUGH WE DIDN'T KNOW SHE WAS EXPECTING. TOLD HIM TO ANSWER THE PHONE - - BEFORE IT RANG. HE WOULD SAY "YOU KNOW WHAT I WAS THINKING TODAY. . "JUST AS A MATTER OF CONVERSATION HE DID NOT MEAN FOR ME TO ACTUALLY TELL HIM - - BUT THAT'S WHAT I WOULD DO.

HE TOLD ME ONCE THAT IF 'IT' CONTINUED HE WOULD LEAVE ME. SAID IT WAS CREEPY. AFTER A FASHION HE BECAME TO ACCEPT MY QUIERNESS AND EVEN LAUGHED ABOUT IT, WE ARE KINDRED SPIRITS. I CAN READ HIS MIND AND HE SOMETIMES-MINE BECAUSE WE WERE MEANT FOR EACH OTHER. HE BELIEVES THAT IT IS A SIGN THAT WE ARE MEANT FOR EACH OTHER.

I HOPE THAT THIS OJ SIMPSON CASE WOULD NOT MAKE HIM LEAVE. I DEARLY LOVE THE MAN. HOWEVER, I CAN'T SLEEP BECAUSE OF THE DREAMS THAT I HAVE. I CAN'T LET A MAN GO TO JAIL - - OR SIT THERE WAITING - - WHEN I KNOW THAT HE IS INNOCENT OF THE CRIME HE IS ACCUSED OF. EVEN THOUGH HE AGREES WITH MY REASONING HE TELLS ME TO LET THE COURTS DECIDE HIS FATE. IT'S NOT UP TO ME.

BUT ISN'T IT EVERYONE'S JOB TO ENSURE THAT THE JUSTICE SYSTEM STAYS ON TRACK? THAT IT CONTINUES TO CONVICT ONLY THE GUILTY? IF OUR JUSTICE SYSTEM CAN HOLD OJ IN JAIL ON CIRCUMSTANTIAL EVIDENCE - - A WEALTHY WELL KNOWN HERO - - WHAT HOPE DO THE REST OF US HAVE?

[REDACTED] - -I TRIED TO COAX MY HUSBAND INTO GOING TO VISITING HIS FATHER AT THE [REDACTED] I COULDN'T TELL HIM WHY. I DIDN'T WANT TO DO 'SOMETHING STRANGE'. HIS FATHER HAD SUFFERED FOR PARKINSON'S FOR 20+ YEARS. HE AND HIS FATHER HAD NEVER BEEN CLOSE. TWO DAYS LATER HIS FATHER DIED. I DIDN'T REMIND HIM OF MY SUGGESTION TO GO SEE HIM. HE NEVER MENTIONED IT. I HOPED HE HAD FORGOTTEN.

JUNE? 1993 - I WAS AT WORK WHEN I FELT THAT SOMETHING WAS WRONG. MY HUSBAND WAS IN DANGER MAYBE? I TOLD MY COWORKER NEXT TO ME THAT I FELT SOMETHING WAS WRONG. IT WAS AROUND 9 I THINK. I TOLD HER THAT I REALLY MISSED MY HUSBAND. THEN I DECIDED THAT I WOULD CALL HIM AND HAVE HIM DRIVE IN AND MEET ME FOR LUNCH. I DIALED HOME - - NO ANSWER, NO BUSY SIGNAL, NO RINGING ONLY A DEAD LINE. I DIALED AGAIN THE TENSION MOUNTING. I DIALED AND REDIALED. THE FEAR NOW REAL, I STARTED TO CRY. THE COWORKER ASKED MY NUMBER AND DIALED IT FOR ME. ONCE, TWICE. SHE REASKED THE NUMBER AND DIALED TWO MORE TIMES. TRYING TO REASSURE ME THAT MY HUSBAND WAS A BIG BOY AND COULD TAKE CARE OF HIMSELF. FINALLY SHE GOT IT TO RING (WE NEVER HAD ANY TROUBLE BEFORE WITH THE LINE AND WE DIDN'T HAVE ANY TROUBLE AFTER THAT WITH THE LINE - - IT WAS JUST THAT TIME.) SHE HANDED ME THE PHONE AND I WAS RELIEVED TO HEAR MY HUSBAND'S WARM FAMILIAR VOICE ON THE OTHER END. WE CHATTED BRIEFLY AND I TOLD HIM THAT I MISSED HIM AND WANTED HIM TO MEET ME. I ALSO TOLD HIM ABOUT THE PHONE PROBLEM AND WE CHATTED AND LAUGHINGLY HE REASSURED ME THAT EVERYTHING WAS FINE AND THAT HE WOULD MEET ME FOR LUNCH. NOT 10 MINUTES LATER HE CALLED BACK. THE REAR WINDOW OF OUR CAR HAD BEEN SHATTERED. I TOLD HIM NOT TO TOUCH ANYTHING I WOULD BE HOME IMMEDIATELY, AND TOLD HIM TO CALL THE POLICE.

THE POLICE ARRIVED. THE REAR WINDOW HAD A BUILT IN REAR DEFOGGER THE WIRES WERE THE ONLY THING HOLDING THE WINDOW IN. (WE HAD DRIVEN THAT CAR HOME FROM WORK EARLY THAT MORNING - - 3 AM. THE WINDOW WAS FINE THEN. IT WAS ALSO FINE WHEN I LEFT AGAIN FOR WORK AT 8 A.M. I HAD TO WALK PAST THAT CAR TO GET INTO THE CAR I DROVE.) THE POLICE ARRIVED AND LOOKED AT IT. THEN HE SAID "HAVE EITHER OF YOU TOUCHED THIS CAR TODAY?" I TOLD HIM "NO" HOPING THAT HE WOULD BE ABLE TO GET PRINTS OFF FROM IT. HE LOOKED AT THE REAR WINDOW AGAIN - -BENDING DOWN AT EYE LEVEL. HE THEN STRAIGHTENED UP AND SAID " IT'S BEEN KICKED OUT FROM THE INSIDE."

** THE STRANGENESS OF IT? WE ALWAYS LOCKED THE DOORS. AND WHOMEVER HAD JIMMYED THE DOOR OPEN (THE COP SHOWED US THE MARKS ON THE WINDOW AND TRIM WHERE THIS HAD BEEN DONE) HAD KICKED THE WINDOW OUT FROM INSIDE THE CAR AND THEN HAD LOCKED THE DOOR AFTERWARDS. NOTHING WAS TAKEN FROM THE CAR. NOT THE TAPE DECK, NOT EVEN THE NEW PARTS IN THE BACK WITH THE PRICE TAG AND SALES SLIP STILL ATTACHED.

I KNOW THAT MY BROTHER IN LAW DID THIS. I CAN'T PROVE IT. IN FEBRUARY MY TWIN SISTER CAME TO HER SENSES AND LEFT HER HUSBAND OF FIVE YEARS (WITH HER YOUNG SON). MY SISTER, MY TWIN, HAD BEEN WITH THIS 'ANIMAL' SINCE 1980. I SAY ANIMAL BECAUSE HE IS A BATTERER. I HAD KNOWN SINCE 1980 AND COULD NOT CONVINCE HER TO LEAVE. I HAD AGREED TO SELL HER A CAR BUT THE ENGINE 'BLEW UP' AND I FOUND OUT ON FRIDAY THAT IT WOULD COST 800 -900 DOLLARS TO FIX IT. MY HUSBAND AND THE MECHANIC SAID IT WOULD NOT BE WORTH IT BECAUSE THE CAR WAS SO OLD. I CALLED MY TWIN AND TOLD HER ON SATURDAY. THE WINDOW WAS KICKED OUT ON MONDAY MORNING. HER HUSBAND LIVES 8 HOURS AWAY AND WITH HIS GRANDMOTHER WHOM HE NEEDS TO GET SOMEONE-TO KEEP AN EYE ON WHEN HE'S NOT AROUND. I KNOW THAT HE DID IT. I CAN NOT PROVE IT.

SEPT 1993 - I WAS WORKING AT AN [REDACTED] (SELLING [REDACTED]) I HAD JUST FINISHED TYPING AND ENTERING THE DECEMBER RENEWALS WHICH WOULD BE MAILED OUT IN NOVEMBER. I GOT A PREMONITION. SO I WENT TO MY SUPERVISOR I SAID "WHAT HAPPENS IF I SIGN AND DATE THESE NOW (IN SEPT - - DATING THEM FOR NOVEMBER) AND I AM NOT HERE IN NOVEMBER? WHAT HAPPENS THEN? SHE SAID " WHY [REDACTED] ARE YOU PLANNING ON NOT BEING HERE?" NOT WANTING TO GO INTO DETAIL ABOUT MY QUIRK I SAID " YOU NEVER KNOW, I MIGHT GET FIRED, I MIGHT DIE." SHE REPLIED " OH [REDACTED], YOU ARE NOT GOING TO DIE AND YOU ARE NOT GOING TO BE FIRED WE NEED YOU." ON OCTOBER 27 I WAS FIRED FOR INSUBORDINATION. I ARGUED WITH A MANAGER BECAUSE SHE INSISTED THAT IT DIDN'T MATTER THAT WE LOST ACCOUNTS. THAT WE WERE LARGE ENOUGH THAT WE COULD AFFORD IT. I COMMENTED AND TRIED TO GET HER TO SEE HOW WRONG SHE WAS. WHEN YOU RELY ON THE PUBLIC FOR YOUR INCOME YOU CAN NOT AFFORD NOT TO TREAT EACH ACCOUNT AS PRECIOUS. I WAS REPRIMANDED FOR NOT COMPREHENDING. "YOU JUST DON'T UNDERSTAND. YOU HAVE A HARD TIME UNDERSTANDING." A VICE PRESIDENT SAID, MINUTES BEFORE I WAS FIRED " THERE ARE THINGS MORE IMPORTANT THAN THE CUSTOMER." THEN HE POUNDED HIS FIST ON THE TABLE TO INTIMIDATE ME AND SAID " WHO DO YOU THINK YOU ARE LADY, GOD?"

THE ONLY THING THAT I WAS GUILTY OF WAS TRYING TO PLEASE THE CUSTOMER AND KEEP THE WORK FLOWING.

I WROTE A LETTER TO THE OWNER OF THE COMPANY. TO DATE 2 3RD LEVEL MANAGERS WERE DEMOTED. THE PERSON WHO TOOK THE JOB - - WHICH EVERYONE INSISTED THAT I SHOULD HAVE HAD - - HAS BEEN TRANSFERRED OUT OF THE PRESTIGIOUS JOB TO A TEAM JOB (LOWER LEVEL).

(DURING THE 7 YRS I WORKED THERE I NEVER HEARD OF ANYONE BEING DEMOTED. IN FACT ONE SUPERVISOR TRIED TO GET ME INTO MANAGEMENT SAYING " ONCE YOU ARE A SUPERVISOR THE ONLY PLACE TO GO IS UP.")

JANUARY 93 - (NOT SURE OF THE MONTH - -DIDN'T THINK I'D EVER NEED TO KNOW.) I AWOKE SOBING. MY CRYING HAD WOKE MY HUSBAND WHO ASKED ME WHAT WAS WRONG. I TOLD HIM SOMETHING WAS WRONG WITH MY DAD. IT WAS AROUND 5 AM. TOO EARLY TO WAKE MOM. I GOT OUT OF BED AND WAITED AS THE MORNING CAME SO I COULD CALL HER WITHOUT WAKING HER UP - - I DIDN'T WANT TO WAKE HER IF I WAS WRONG. EVEN THOUGH MY HUSBAND TRIED TO ASSURE ME THAT HE WAS OK THE FEELING OF DREAD WASN'T ERASED. MY FEARS WERE CONFIRMED WHEN I REACHED MY MOTHER IN TEXAS (THEIR WINTER HOME). MY FATHER WAS IN THE HOSPITAL FOR OBSERVATION, THEY WEREN'T SURE IF HE HAD A HEART ATTACK OR NOT.

*****MY HUSBAND VOICED SOME CONCERN TONIGHT JUNE 28 THAT HE "HOPED THAT THEY WON'T LOCK YOU UP." GEE ME TOO. I HOPE NOT TOO. I HOPE THAT HIS 'PREMONITION DOESN'T COME TRUE. YOU WON'T DO THAT WILL YOU? IF I AM WRONG ON THIS OJ CASE - - I PROMISE NEVER TO LISTEN AGAIN. I PROMISE TO IGNORE MY DREAMS AND MY PREMONITIONS. HERE GOES.

HERE GOES ~~Nicole~~

MONDAY MORNING I AWOKE EARLY, LISTLESS. I WENT TO BED AT MY USUAL TIME 3 A.M. IT WAS NOW 5 A.M. I HAD A DREAM. A BLONDE WOMAN CRYING, OVERCOME WITH EMOTIONS OF CONFUSION AND PUZZLEMENT. SHE WAS JUST STANDING THERE CRYING AND REPEATING "WHY? SOB SOB WHY?" THE FEAR THE CONFUSION WAS CONSUMING. I CREPT OUT OF BED SO AS NOT TO WAKEN MY HUSBAND AND WENT DOWNSTAIRS. I DIDN'T CONSIDER THE DREAM TOO IMPORTANT - -THOUGH IT HAD FRIGHTENED ME. THE GIRL DID NOT RESEMBLE IN THE LEAST EITHER OF MY TWO BLONDE SISTERS - -ONE OF WHICH IS BATTERED (HAS BEEN FOR 6 YEARS.) I DID NOT RECOGNIZE THE WOMAN. SHE WASN'T ANYONE THAT I KNEW OR MET.

SO I WENT ABOUT MY BUSINESS AND NEVER MENTIONED THE DREAM TO MY HUSBAND. (WELL, WHEN YOU HAVE A GOOD THING YOU TEND TO PROTECT IT FROM STRANGE UNEXPLAINABLES - - WHY ROCK THE BOAT?) THAT EVENING (4 P.M.) AS I AND MY HUSBAND STARTED WORK AT THE BAKERY WE HEARD THAT OJ SIMPSON'S WIFE WAS KILLED. THE NAME SOUNDED FAMILIAR. I AM NOT A FOOTBALL FAN - - OR ANY SPORT - - I JUST LIKE TO BE OUTSIDE NOT A SPECTATOR.

UPON HEARING THIS NEWS I WAS SLIGHTLY AWARE OF WHO HE WAS. OH FOOT BALL. WELL OF COURSE HE DID IT!! (I HAD NEVER BEEN OVERLY FOND OF MEN, KIND OF A REBELLION FOR NEVER BEING ASKED TO A PROM I SUPPOSE, AND I HAVE ALWAYS BEEN EXTREMELY PRO WOMAN.) HAVING 3 SISTERS IN ABUSIVE SITUATIONS CURRENTLY I KNOW ONLY TOO WELL HOW CHARMING ABUSIVE MEN CAN BE IN PUBLIC. AND HOW DAMAGEING IN PRIVATE. I CAN SEE THE BRUISES AND WELTS AND LOWERED SELF ESTEEM, AND I CAN SMELL THE FEAR THAT THEY LIVE WITH DAILY. I KNOW THE FRUSTRATION OF TRYING TO HELP THEM. TO GET THEM TO SEEK HELP. TO GET THEM TO OPEN THEIR EYES. I CALLED A COUNSELING GROUP ONCE (ANNONYMOUSLY) THEY TOLD ME "I DON'T KNOW WHY YOU WORRY ABOUT IT. IT'S BETWEEN YOUR SISTER AND HER HUSBAND. IT'S NOT YOUR BUSINESS." " BUT I AM AFRAID SHE WILL GET SERIOUSLY HURT." "WAIT UNTIL THERE'S A BODY."

THE POLICE TOLD ME WHEN I CALLED THEM THAT THEY COULD NOT INTERVENE UNLESS MY SISTER (S) WANTED TO CALL THEM AND PRESS CHARGES.

OH YES I KNOW ONLY TOO WELL HOW HELPLESS THE POLICE FELT AND HOW FRUSTRATED IT IS TO DEAL WITH AN ABUSED WOMAN TOO IGNORANT TO SEEK HELP FOR HERSELF AND HER CHILDREN.

*****HOWEVER, MONDAY NITE (ACTUALLY TUES MORNING AT 3A.M. WE I WENT TO BED.) I DREAMT AGAIN. THIS TIME SHE WAS SHAKING HER HEAD AND PLEADING PLEASE PLEASE H-E-L-P! SHE WAS CRYING AND WRINGING HER HANDS.

I AWOKE AGAIN AS BEFORE AND LEFT MY SLEEPING HUSBAND. THERE IS NO REASON TO BOTHER HIM WITH MY NONSENSE. I WALKED THROUGH THE HOUSE - - I COULDN'T HELP. I DIDN'T KNOW HER. AND AS I LAID ON THE COUCH TO SLEEP - - TRY TO - - AS I DRIFTED OFF ONLY TORMENTED SLEEP WOULD COME. THE WOMAN FELT "LOST".

TUESDAY AFTERNOON AT WORK I BROWSED THROUGH A NEWSPAPER LOOKING FOR A PUZZLE TO DO - - SOMETHING THAT I LIKE TO DO WHILE THE DOUGH RISES. ON PAGE 5A A SMALL PICTURE LEAPT OUT AT ME. A WOMAN WITH LIGHT HAIR. HER FACE ALL TO FAMILIAR.

I TURNED ON THE TV (THANK GOD THERE'S ONE THERE). THE FULL COLOR PHOTO GAVE ME THE CHILLS - - SHE WAS THE WOMAN IN MY DREAMS. I TURNED TO THE PAPER AND WAS TERRIFIED TO READ THAT SHE WAS OJ SIMPSON'S WIFE. I NEVER KNEW HIS WIFE WAS BLONDE NOR THAT SHE WAS WHITE. UP UNTIL NOW. ***COULD MY DREAMS BE REAL? GOD, I BEGGED, DON'T DO THIS TO ME. PLEASE!!

WHY ME???

THERE WAS A DOMINATE EMOTION OF WHICH I BECAME AWARE. NICOLE DIDN'T ASK WHO. ONLY WHY? NICOLE KNEW THE KILLER - - WHAT SHE DIDN'T KNOW - - WAS PUZZLED BY - - CONFUSED ABOUT - - WAS WHY!

FROM THAT DAY ON SLEEP BECAME LESS AND LESS. I DREADED IT. KNOWING THAT IT WOULD ONLY BRING PIECES OF A PUZZLE TO WHICH EVEN IF I COULD SOLVE IT I WOULD BE UNABLE TO PROVE IT. AND NO ONE IN HIS RIGHT MIND WOULD BELIEVE ME. I BECAME AFRAID TO SLEEP. THE DREAMS TOO DAUNTING. I WAS DRAW INTO SOMETHING I DID NOT WANT TO BE INVOLVED IN. I WOULD AWAKE MY HUSBAND WITH MY SOBING AND IN HE WOULD AWAKEN ME AND TRY TO COMFORT ME.

THE SENSE OF HELPLESSNESS & DOOM GREW GREATER AND GREATER. NO ONE WOULD BELIEVE ME. NO ONE WOULD BELIEVE A DREAM. I COULDN'T PROVE ANYTHING. I HADN'T ENOUGH INFORMATION. ALL I KNEW WAS THAT [REDACTED] WAS THE KILLER.

RECOGNIZING NICOLE ON TUESDAY (AND KNOWING THAT I WOULD NOT GET ANY DECENT SLEEP) I SALVAGED ALL OLD PAPERS AND CUT OUT ANY ARTICLE THAT WOULD HELP ME WITH THE CLUES. I WROTE ON THE PAPERS THE FIRST IDEA THAT CAME TO MIND AS I READ EACH STATEMENT BY STATEMENT.

I CHALLENGED PEOPLE WITH MY THEORY, PROVE ME WRONG PLEASE!! EVERYONE ONLY SAID THAT IF I WAS RIGHT IT WOULD COME OUT IN THE TRIAL. THAT I WOULD JUST HAVE TO WAIT AND SEE. THE ONLY THING IS THAT IT COULD TAKE A YEAR OR SO. I DIDN'T HAVE A YEAR. I COULDN'T GO THROUGH A WHOLE YEAR OF THESE DREAMS.

AS EARLY AS THURSDAY I HAD UNCOVERED THE EVENTS. I WAITED EACH NITE MORE PIECES FELL INTO PLACE. THE 911 TAPES CONFIRMED ONE DREAM - - IF IT HAD BEEN OJ NICOLE WOULD NOT HAVE OPENED THE DOOR. SHE WOULD HAVE DONE WHAT SHE HAD DONE IN THE PAST SHE WOULD CALL 911. I KNEW SHE WOULD. SHE HAD DONE IT BEFORE. THE HARDEST PART ABOUT THE WIFE ABUSE CRIME IS TO GET THE WOMAN TO MAKE THAT FIRST CALL. THE LET HER KNOW ITS A LIFELINE. THE NEXT HARDEST IS GETTING THEM TO LEAVE THE MAN. NICOLE HAD ALREADY PROVED SHE WAS STRONG ENOUGH TO CALL 911 AND SHE WAS OUT OF THE MAN'S HOUSE. SHE WAS ON THE ROAD TO RECOVERY - - SHE HAD REGAINED CONTROL OF HER LIFE. YET SHE STILL LIVED IN FEAR. SHE WOULD NOT LEAVE HER DOOR UNLOCKED. SHE WOULD NOT OPEN THE DOOR WITHOUT LOOKING OUT FIRST.

THE PERSON ON THE OTHER SIDE OF THE DOOR WAS SOMEONE SHE RECOGNIZED. SOMEONE SHE OPENED THE DOOR TO WILLINGLY - - WHY? BECAUSE SHE WAS EXPECTING SOMEONE FROM THE MEZZALUNA TO BRING THE GLASSES TO HER HOUSE. SHE DID NOT KNOW WHO OR WHEN.

SHE OPENED THE DOOR WILLINGLY EXPECTING TO RECEIVE THE GLASSES, INSTEAD SHE WAS KILLED.

THE MURDERER MOVED HER BODY OUT AWAY FROM THE ENTRY LIGHTS - - HE DID NOT WANT TO ALERT GOLDMAN. HE THEN STEPPED INSIDE TO CHECK FOR ANY OTHER PERSONS - ADULTS, GUESTS. WHEN HE RETURNED OUTSIDE GOLDMAN WAS PERCHED OVER NICOLE'S BODY. HE WALKED UP BEHIND HIM AND STABBED HIM. GOLDMAN TURNED TO FIGHT REMOVING THE HAT AND RECOGNIZING THE KILLER. HE TOO DIED. THE KILLER DID OR TRIED TO REMOVE PART OF GOLDMAN'S EAR. THE EAR WITH THE EARRING ?? UNSURE

THE KILLER COULD NOT RETRIEVE WHAT HE HAD LOST IN BATTLE. FOR AT THAT MOMENT OJ'S CAR APPEARED. I AM UNSURE IF IT WAS OJ DRIVING OR SOMEONE ELSE.

THE DRIVER DID WHAT ANY NORMAL PERSON WOULD DO. HE RAN TO NICOLE AND CHECKED FOR A PULSE. THEN HE RAN INTO THE HOUSE TO CHECK ON THE KIDS. HE FOUND THEM ASLEEP. OK. THEN HE GRABBED SOME TOWELS AND TRIED TO WIPE UP THE BLOOD.

I THINK THAT HE MAY HAVE MOVED THE BODIES HOPING THAT SOMEONE WOULD SEE THEM AND REPORT IT BEFORE THE CHILDREN AWOKE.

HE COULD NOT WAKE THE CHILDREN, HE COULD NOT CALL THE POLICE. HE WAS TRYING TO AVOID EXACTLY WHAT HAS HAPPENED.

THE KILLER KNEW THAT OJ WOULD BE IMPLICATED. THE KILLER KNEW THAT NICOLE WAS EXPECTING SOMEONE FROM THE MEZZALUNA RESTAURANT.

THE KILLER KNEW THAT SHE WOULD OPEN THE DOOR TO HIM WILLINGLY. (IF THE KILLER HAD BEEN OJ, NICOLE WOULD HAVE CALLED 911 INSTINCTIVELY AS SHE HAD SO OFTEN IN THE PAST WHILE OJ BROKE IN. ALSO, OJ IS A YELLER. I CAN NOT BELIEVE THAT HE WOULD HAVE CONFRONTED NICOLE AND NOT YELLED - - LOUD ENOUGH TO WAKE ALL THE NEIGHBORS.)

THE KILLER KNEW HE HAD GOTTEN THERE BEFORE GOLDMAN. IN A PAPER HERE GOLDMAN'S FATHER STATED WITH CONVICTION (AND ECHOED BY COWORKERS) "HE HAS NOT NOW NOR HAS HE EVER BEEN INVOLVED ROMANTICALLY WITH A WOMAN." THIS LEAD ME TO BELIEVE THAT HE MAY BE GAY. THAT THE KILLER WAS GOLDMAN'S JEALOUS LOVER. A COWORKER OF GOLDMAN STATED " HE WAS TRYING TO FIND HIMSELF."

KNEW HOW MUCH TIME THAT HE HAD. KNEW HE COULD NOT KILL BOTH TOGETHER. KNEW HE WOULD HAVE TO TAKE THEM ON ONE AT A TIME. APPARENTLY HE DID NOT KNOW THAT OJ HAD KICKED IN THE DOOR BEFORE - - THERE WAS NO SIGN OF FORCED ENTRY. (AN UNKNOWN SLIP) HE KNEW HOW MUCH TIME HE HAD BEFORE GOLDMAN WOULD APPEAR. HE KNEW FOR HE WAS THE ONE WHO SET UP GOLDMAN.

THE KILLER WAS [REDACTED]

THAT WAS WHEN THINGS BEGAN TO FALL INTO PLACE, WHILE WORKING, WHILE SLEEPING, ANY OTHER MURDERER WOULD NOT KNOW THAT GOLDMAN WAS COMING. ANY OTHER MURDERER WOULD HAVE KILLED NICOLE AND LEFT.

IT WAS REPORTED ON A SPECIAL REPORT JUNE 26TH THAT GOLDMAN WAS WEARING BLUE JEANS. I WAS RIGHT. I HAD BEEN RIGHT SINCE TUESDAY. THE KILLER WAS [REDACTED]

[REDACTED] STATED IN THE TUESDAY PAPER THAT HE KNEW THAT NICOLE CALLED ABOUT HER GLASSES AND THAT GOLDMAN VOLUNTEERED TO TAKE THEM TOO HER. HER HOUSE WAS ONLY 2 BLOCKS AWAY. I DON'T KNOW WHERE GOLDMAN LIVED BUT IF HE HAD TAKEN THE GLASSES TO NICOLE FIRST HE WOULD STILL BE WEARING HIS WAITER OUTFIT.

[REDACTED] STATED IN THE PAPER - - (I SENT MY COPY TO MR. SHAPIRO - CAN'T QUOTE EXACTLY)- THEY WERE JUST GOOD FRIENDS. THEY WERE FRIENDS WITH A LOT OF PEOPLE. THEY WOULD GO HERE AND THERE AND THEN THEY WOULD MEET FOR COFFEE AND MEET WITH A BUNCH OF OTHER PEOPLE.

KEEPS SAYING THEY. I KNOW THIS HIT ME AS STRANGE. I KNOW MY COWORKERS. I RARELY KNOW THEIR HUSBANDS, OR THEIR FRIENDS, OR WHO THEY HANG OUT WITH, OR WHERE THEY GO AND WHAT THEY DO AWAY FROM WORK. A REPORT STATED THAT NICOLE FELT OJ WAS FOLLOWING HER. DID SHE ONLY FEEL THIS WAY WHEN SHE WAS WITH GOLDMAN? PERHAPS IT SEEMS THAT [] WAS FOLLOWING THEM - NOT HER.

ALSO.

[] STATED

"THE PLAN WAS THAT I WAS FINISHING UP SOON AND I WAS GOING TO GO HOME AND CALL HIM AND THEN WE WOULD MEET AT A BAR. " STATING EARLIER THAT GOLDMAN VOLUNTEERED TO DROP OFF THE GLASSES TO NICOLE.

THIS WAS [] ALIBI. I WONDERED WHY HE WASN'T QUESTIONED SOONER. WHY DIDN'T THEY JUST AGREE UPON WHICH BAR TO MEET AT BEFORE LEAVING THE MEZZALUNA?

THE REAL PLAN WAS TO DELAY GOLDMAN. THE REAL PLAN WAS THAT GOLDMAN WOULD GO HOME AND CHANGE CLOTHES AND THEN DROP OFF NICOLE'S GLASSES.

IN THIS WAY THE KILLER KNEW HOW LONG IT WOULD TAKE GOLDMAN TO DO THIS. I BELIEVE THAT THIS HAPPENED BECAUSE THE GLASSES WERE FOUND IN AN ENVELOPE OUTSIDE OF THE HOUSE (NEAR THE BODY OF GOLDMAN). IF GOLDMAN HAD GOTTEN TO THE HOUSE FIRST (HE LEFT RESTAURANT AT 9:45) THE GLASSES WOULD HAVE BEEN INSIDE THE HOUSE. NICOLE WOULD HAVE BEEN SUSPICIOUS OF ANOTHER PERSON FROM THE MEZZALUNA SHOWING UP IF - - IF GOLDMAN HAD ALREADY BEEN THERE.

ONLY A FRIEND OF GOLDMAN'S WOULD KNOW THE TIMING. ONLY A DOMINATING PARTNER COULD TALK GOLDMAN INTO GOING HOME TO CHANGE CLOTHES FIRST.

ONLY [] KNEW . .

NOW -I BELIEVED THAT I HAD ENOUGH INFORMATION

A MOTIVE - A JEALOUS LOVER

A WEAPON - A KNIFE FROM THE MEZZALUNA - - HERE THERE ARE FANCY RESTAURANTS THEY CUT THERE OWN MEAT. IF THE MEZZALUNA WAS A FANCY RESTAURANT THE KNIFE WOULD BE FROM THERE.

THE KILLER WOULD KNOW THAT IT WAS INDEED SHARP ENOUGH TO CUT MEAT.

THERE WOULD ALSO BE GLOVES THERE - - FOR HANDLING THE MEAT AND FOR KEEPING IT FROM BECOMING CONTAMINATED.

THERE WOULD ALSO BE A LARGE WALK-IN COOLER. IN A RESTAURANT I WORKED IN THERE WERE "BEANIES" KEPT ON HAND FOR ANYONE TO WEAR, AND GLOVES TOO, FOR THE PEOPLE WHO MAY HAVE TO BE IN THE COOLER/FREEZER FOR ANY EXTENDED PERIOD OF TIME. THEY WERE UNIVERSAL - - THAT IS SHARED BY ALL.

THE TIMING.

I BELIEVE - -SICKENINGLY - THAT THE KNIFE IS BACK AT THE MEZZALUNA RESTAURANT. IF IT IS ANYTHING LIKE WHERE MY HUSBAND AND I WORK - - KNIVES END UP MISSING ALL THE TIME. MY HUSBAND AND I WORK 6 NIGHTS PER WEEK. AND HAVE NOT HAD A VACATION IN YEARS. WHEN AN ITEM IS MISSING - -WE LOOK EVERYWHERE - - THEN WE LAUGH AND JOKE THAT IT 'TOOK A VACATION'. ONCE A WAITRESS WENT TO LAS VEGAS. I SWEAR SHE RODE THE BROOM THERE. IT WAS MISSING FOR A WEEK AND SHOWED UP AGAIN ONLY UPON HER RETURN TO WORK.

IF THEY HAVE A LOT OF KNIVES - -THEY MIGHT NOT EVEN MISS ONE. MIGHT NOT EVEN NOTICE.

MR. NITE SUPERVISOR - - PLEASE TELL ME I AM WRONG. FOR THE DREAMS I HAVE NOW NO LONGER INCLUDE NICOLE. THEY ONLY CONTAIN A SILHOUETTE OF A MAN, LAUGHING HIDEOUSLY, A KNIFE IN HIS HAND.

**I BELIEVE THAT GOLDMAN MAY HAVE BEEN GAY.

MAY HAVE BEEN QUESTIONING HIS GAY CONVICTION.

THE EAR OF GOLDMAN WAS CUT OFF IN AN ATTEMPT TO DEFACE HIS GAYISM IN DEATH??

I DON'T HAVE ALL THE FACTS.

I DONT'REALLY WANT ANY MORE.

ALL I WANT IS SLEEP - - RESTFUL, PEACEFUL, NON HAUNTED SLEEP.

MR. NITE SUPERVISOR - - I CAN NOT TELL YOU HOW MUCH THIS HAS COST ME, IN PHONE CALLS TRYING TO GET SOMEONE TO HELP ME. TRYING TO GET SOMEONE TO LISTEN.

YES I BELIEVE OJ IS GUILTY OF WIFE ABUSE. HE HAS NOT ABUSED HER IN 5 YRS AND IN FACT HIS ATTENTIONS WERE AT LEAST IN PART TURNED TO ANOTHER WOMAN.

PLEASE TELL ME THAT I DO NOT HAVE TO LIVE IN FEAR FOREVER. FEAR THAT MY TWIN SO RECENTLY FREED FROM HER BATTERER WILL BE KILLED BY HIM. PLEASE TELL ME THAT NONE OF MY OTHER SISTERS WILL DIE. PLEASE TELL ME THAT ONCE THE BATTERED WOMAN LEAVES THE CYCLE OF ABUSE WILL STOP.

PLEASE - -PLEASE - -

PLEASE TELL ME THAT THIS IS CORRECT.

YOU CAN TELL ME THAT MY DREAMS ON THE KILLER ARE WRONG - -

YOU CAN TELL ME I AM WRONG.

PLEASE TELL ME THAT THE POLICE DEPT IN LOS ANGELES IS NOT BIASEDLY TRYING TO FIND ENOUGH CIRCUMSTANCIAL EVIDENCE TO CONVICT THE WRONG MAN OF MURDER.

**IN OJ'S PLACE - - WITH THE MEDIA AGAINST HIM - -DID WE REALLY EXPECT HIM TO DO ANYTHING OTHER THAN RUN??? WOULDNT YOU IF YOU WERE INNOCENT?

JUNE 29, 1994

05:41 A.M.

MR. NITE SUPERVISOR - I AM MAILING THIS TO YOU TODAY. ALL OF IT. THANK YOU SINCERELY FOR LISTENING TO ME.

I HAVE NEVER DONE ANYTHING LIKE THIS BEFORE.

I HOPE, SINCERELY, THAT I NEVER HAVE TO AGAIN.

I WILL WAIT FOR A NEGATIVE CALL.

AGAIN, THANK YOU FOR LISTENING. THANK YOU SINCERELY!!

WHY ME?

I AM THE MOST UNLIKELY PERSON TO HELP A MAN OUT.

I HAVE NOT EVER BEEN A FOOTBALL FAN.

I HAVE ALWAYS BEEN PRO - WOMAN - - TO THE EXTENT OF BEING ANTI MAN (ALMOST.)

I HATE WIFE BEATERS - -ESPECIALLY THOSE WHO TRY TO JUSTIFY WHAT THEY DO.

I HAVE A BROTHER IN LAW WHO SAYS THAT GOD INTENDED FOR WOMEN TO BE BEATEN BY THEIR HUSBANDS.

MY HUSBAND, MY COWORKERS WHO KNOW ME WELL, AND MY CLOSEST UNCLE ARE MIFFED BY MY FACINATION WITH THE OJ CASE.

WHEN / IF MY PARENTS FIND OUT THAT I HAVE HELPED OUT, I AM SURE THAT THEY WILL DEMAND TO HAVE MY HEAD EXAMINED. :

UNTIL I HAD A TALK WITH YOU I WAS INCLINED TO AGREE.

IF NICOLE HAD TO PICK SOMEONE TO HELP HER - -WHY WOULDNT SHE HAVE PICKED SOMEONE WHO AT LEAST KNEW WHO SHE WAS??

**AFTER I TALKED TO YOU LAST NIGHT I WENT TO SLEEP. I DREAMT OF THE KNIFE AND AWOKE. I DON'T NEED TO KNOW. THERE ARE SOMETHINGS THAT OTHER PEOPLE ARE PAID TO FIND OUT.

WHAT I NEEDED DESPERATELY FOR THE LAST 2 WEEKS WAS SOMEONE TO LISTEN.

WHAT I NOW NEED IS SLEEP.

I AWAIT YOUR CALL.

T-H-A-N-K Y-O-U!!!

I don't watch horror shows.

Any nite without warning I can see horror enough to really upset me. It's free + I don't like it.

I do have more documentation. To show my mental progression of the last few weeks.

These feelings I have, happen whether I am sleeping or awake.

Can you tell me why?

Some think I'm paranoid. I don't. Past experience has taught me to listen to the little voice - whenever it talks.

writing this was painful - - I said - it brought up old memories + renewed fear.

TYPED LETTER TO FBI NITE SUPERVISOR

DATED 7-1-94

[Handwritten signature]

b6
b7C

July 1, 1994

02:36

mr fbi nite supervisor

what did i say to make you listen to me?

i was afraid to tell you all of my 'feelings' (lack of a better word).
i was afraid that one wrong word - - one wrong 'fact' would make me seem a
fake - - a fruitloop.
there are so many questions. why me? why?
why had goldman never contacted me? could it be because he knew why he was
killed?
i felt that his earring and that portion of the ear was missing because
he was gay. he was questioning his conviction to gayism -- that was why maybe
that he was spending more time with nicole? or was he seeking consolation from
another battered person - - seeking help in dealing with a dominating
controlling 'insanely' jealous lover?

i feel that the killer 'took' back the earring
cut off the ear to deface his lover
deface him for questioning his gayism, for turning to nicole for support, for
spending more and more time with nicole.

on tuesday i felt at first a feeling of hope - - that oj was lucky because he
wasn't at home that nite. i felt that had he been home - - he too would have
died at the hands of the murderer.
now i wonder how wrong was i? is he really so lucky to be alive now? charged
with two murders and possibly facing the death penalty?

i sensed no fear in nicole about her children. no wonderment about what would
happen to them. is this because she knew that oj was still alive to care for
them? would not this give her a little apprehension and fear of their safety
- - knowing that he abused her. wouldn't she have conveyed this fear to me if
- - if - - oj had been the murderer?

i felt that the murderer had gone to oj's estate (not knowing that he was on
his way to the airport) to also kill oj. enraged that oj didn't reconcile
with nicole and thus restore the killers romance by removing nicole from his
lover.

june 30th 2 am

when i went to bed i got sleep - - restful un haunted - - no dreaming sleep.
i awoke at 7 am went outside with the house garbage. let out the chickens and
ducks - - convinced that my life was once again returning to 'normal'.
i picked strawberries - - hoping to catch up on much of my neglected chores
over
the past weeks since the killings. (lack of sleep, lack of fitful sleep, and
fear of dreams, of getting anyone to listen to me - - let alone believe me had
left me exhausted - - too tired to do daily chores - - too afraid to be outside
alone - - afraid to be out of arms reach of my comforting consoling husband.)

i was squatted down picking berries when i felt a presence. i froze and
slowly looked around (should the neighbors be watching me i didn't want them
to think i was crazy) - - no one!!
i chided myself for being paranoid and then told myself it was nothing. as i
reached out to pick another berry something - - a whisper so close to my ear i
could feel the pulse of words. not the terrifying whisper of a killer.

this time it was a consoling whisper -- like that of an angel? it was high
pitched and too fast , way , way too fast to comprehend. the pitch was not
deafening - - more like a tape on ff but soft - - so as not to scare me???

i reached up to my ear - - no bug, it wasn't like that of a buzzing bug,
mosquito or fly that is a certainty. i reeled around this time not caring
about the neighbors, my eyes seeking something, anything to explain this away.
anything to comfort me with the fact that this was not another 'strange
thing.'
there was nothing!! no one!! not near or far.

i picked up the berries and ran into the house. scarred. i wanted to seek
the comfort of my husband - - have him tell me it was ok. but, do i tell my
husband? would this be enough to make him decide to leave me? would this be
the straw that broke his loving back? would he believe me? would it scare
him?

~~i remained inside. too tired to stay awake. too afraid to sleep.~~

mr. nite supervisor

i am afraid

afraid i'm right and no one will listen - - at least i am counting on you.
fearful that i am wrong and will be committed to an asylum.
and terrified of what the future holds.

i've had a lot of dreams before when asleep and a feeling of deadly
premonition and gloom when awake. but nothing like this. the people were
either family that i knew well or complete strangers - - people i had never
known before and never recognized. people die every day, people are tortured
and murdered everywhere throughout the world. if i don't know who they are i
can't help them. and even when i know who they are how do i convey that i
know they are in danger ? how do i tell them that i knew?

the answer: i dont. if i know them i call them asap to check on them - -
with the saying " i was just thinking of you. how are you doing."
no one questions it.

this is the first time that i have had any dreams dealing with a stranger .
a stranger that i recognized immediately from the photo in the paper. (as i
told you before.)

i don't want to be famous for this. i only want to live my life with peace .
with my adoring husband. i dont' want to be plagued with dreams , strangers
that i don't know seeking my help. demanding it. i don't want the publicity.
i value my privacy. i am a loner.

meaning, i do not even visit my family as often as i would like to. i found
out in 1986 when i moved to a different town to start a new job that the less
i am around my family the fewer 'dreams' i have about them. selfish?? maybe,
but they are all adults - - isn't it about time that they start to rely on
their own common sense to protect themselves and their own children?

i can not 'summon' a dream. i have no control over the premonitions.
i wish only that i could . at least to end my torment. at one time i prayed
that i would not dream of the knife. now i wish that i could so that i could
tell you where it was and then thus end my torment.

i feel that it is in a rain gutter , or something similiar. i don't know why.
the more that i probe my feelings the more questions it raises and the less
certain i am that i want to proceed.
do i really want to know the answers? i am not sure that i do.

the dreams are so haunting, i awake wiping nonexistent blood off my hands my
body drenched in sweat. my breathing labored. when ever it was no one i knew
i just assumed that it was childish nightmares that i never outgrew.
could it be that all those dreams were people who had died senselessly and
were seeking answers themselves?

i was so afraid to call you. especially since the killer was now after me.
am i placing too much faith in the system? will the true killer be found
before he finds out about me? or will someone i love dearly suffer yet again
because of me?

my mother told me once " you will always be one step in front of the devil.
just one step!! one slip by you and he will have you." she wasn't very happy
with me. i had awoke one night standing at the bed in my parents room. i was
on the side where my dad usually slept. however the man in the bed was not my
dad.

when my father returned , i think he was on a business trip, i 'casually'
mentioned it at the breakfast table. from that moment on my mother wasn't
real pleased with me - -and i guess i can't blame her. but then again , what
did i know - - i was only around 4 yrs. old. i didn't think it was wrong.
i didn't know. i thought that's what all mom's did. guess i found out
otherwise.

bodies bathed in blood. fear - - all consuming fear. sweaty sheets and
creaming in my sleep.

with my life always be thus??

***FRIDAY JULY 8, MY HUSBAND AND I RETURNED FROM WORK. IT WAS STORMING OUT.
I SAT AND WATCHED IT FOR A WHILE THEN MY HUSBAND WENT UPSTAIRS. I SAT IN THE
LIVING ROOM WITH THE TV ON PEEKING OUT THE PICTURE WINDOW - - WATCHING THE
LIGHTNING LIGHT UP THE DARK. (2 AM). I WAS THINKING OF HOW PEACEFUL IT WAS AND
SETTLED BACK IN THE CHAIR.

JUST THEN THE ELECTRICITY WENT OFF. LIGHTNING LIT THE OUTDOORS. I TURNED MY
HEAD TOWARD THE WINDOW AND SAW THE FIGURE OF A PERSON ILLUMINATED THROUGH THE
CURTAIN. I WHIPPED THE CURTAIN OPEN - - THERE WAS NO ONE THERE!!

***SATURDAY , JULY 9, I HAD SPENT ALL DAY CLEANING AND CATCHING UP ON HOUSE
WORK. MY HUSBAND AND HIS BROTHER CAME IN FOR DINNER. WHILE WE WERE EATING I
TRIED TO GET THEM TO LISTEN TO ME - - TO HAVE A THREE WAY DISCUSSION ON THE OJ
IMPSON CASE. THEY WEREN'T INTERESTED. THE SUBJECT WAS CHANGED AND I SAID
THAT IT WAS ALL UP TO THE LAWYERS NOW - - AND I THOUGHT THAT WAS THAT. I WAS
REACHING TO PICK UP MY FORK WHEN I FELT A SMALL PINCH . HUM? I LOOKED AT MY
HAND - - NOTHING. SO I REACHED AGAIN. THIS TIME THE PINCE WAS HARDER. I
TURNED MY HAND OVER TO LOOK AND DISCOVERED A LARGE BLOOD BLISTER FORMING AT THE
BASE OF THE THUMB ON MY HAND.

I SHOWED IT TO MY BROTHER IN LAW WHO SAID "WHAT? YOU DIDN'T EVEN HIT IT ON
ANYTHING."

I SAT THERE THINKING ABOUT HOW ODD IT WAS. THEN I LOOKED AT MY HUSBAND AND
SAID "THE KILLER WAS LEFT HANDED!!"
- - THIS CASE IS FAR FROM OVER FOR ME.

P.S. IF THEY COME TO TAKE ME TO THE FUNNY FARM , CAN MY HUSBAND COME TOO?")

July 14, 1994

WHILE AT WORK PAYING ATTENTION TO MY WORK I FELT A SHARP STABBING PAIN IN MY
LEFT BACK CLEAR THROUGH TO MY STOMACH.

PULLED UP MY SHIRT AND LOOKED BUT SAW NOTHING SO I CONTINUED TO WORK.

THE PAINS CONTINUED.

- IN THE BACK TO THE FRONT STOMACH

- IN THE LEFT LEG - - I COULD FEEL BLOOD RUNNING DOWN IT AND THEN MY KNEE

FELT LIKE IT WAS BRUISED. I FELT MY LEG AND WAS SURPRISED GLADLY THAT

THERE WAS NO REAL BLOOD.

- THEN I FELT TWO LITE STROKES ACROSS MY THROAT - - NOW I AM TERRIFIED.

THESE ARE INDICATIVE OF THE WOUNDS ON GOLDMAN. I TOLD MY HUSBAND - -JUST IN
CASE I PASSED OUT FROM THE PAIN OF THE NEXT THREE WOUNDS (THE CHEST AND NECK
WOUNDS). BUT AFTER TALKING TO MY HUSBAND THE PAINS ENDED.

I SAID IT WAS BECAUSE I WAS TOO ABSORBED BY THE CASE. I DON'T THINK SO!! THE
WOUNDS' HAPPENED IN AN ENTIRELY DIFFERENT ORDER THAN WHAT I HAD THOUGHT!!

July 15, 1994

ILE WORKING AT THE BAKERY AND TRYING TO KEEP MY MIND OFF THE OJ CASE A
CENE' CAME INTO VIEW.
E KNIFE USED BY THE KILLER WAS BROKEN WHEN GOLDMAN SHOVED THE KNIFE INTO THE
TACKERS FOREARM AND INTO THE ROCKS/BRICKS. THE TIP WAS BROKEN OFF!!
IS TIES INTO THE DREAM THAT I HAD - - WHERE I SAW THE KNIFE EARLY IN THE
SE. HOWEVER, I DISMISSED THIS AS NOT BEING THE KNIFE INVOLVED IN THIS
LLING BECAUSE THERE WAS NO TIP!!! WHERE THERE WAS TO BE A TIP IT WAS FLAT.

US- - ONE KNIFE - -ONE KILLER.
EN THE KILLER RETRIEVES THE KNIFE, THE USE OF HIS LEFT HAND IS DIMINISHED.
MAKES 'SLOPPY' ATTEMPTS TO WOUND GOLDMAN--(SHALLOW CUTS)--THEN HE SWITCHES
E KNIFE TO HIS OTHER HAND.
ULDN'T THIS MAKE IT LOOK LIKE MORE THAT ONE KNIFE WAS USED? AND MORE THAN
E ATTACKER? YES YES YES

AM AFRAID.
HAVE TRIED AND TRIED TO GET SOMEONE TO LISTEN TO ME. SOMEONE TO HELP ME.
MEONE TO MAKE SENSE OUT OF THIS.
HAKED WAS INNOCENTS (ABOUT SOMETHING ELSE) AND I MENTIONED THE OJ CASE AND
OM AND DAD DIDN'T SEEM SURPRISED.
DON'T KNOW WHO TO TALK TO .
DON'T KNOW WHERE TO GO.

HAVE PRECISELY THIS TO OJ WITH A POSTCARD FOR THEM TO RETURN WHEN THEY

I CALLED THE W LA FBI AGAIN. THEY SAID THAT THEY ARE NO LONGER HANDLING THE
CASE. THEY ARE TURNING EVERYTHING OVER TO THE LA POLICE DEPARTMENT.
YEAH!! THAT POLICE DEPT IS JUST BARELY ONE STEP ABOVE THE LITTLE RASCALS.
TER NOT "WADJICE AND" ORDER'S A MISBENT CRUSADE OF INJUSTICE -- MORE LIKE A
WHERE DO I GO FROM HERE? [REDACTED]

HELP!!

TESTIMONY IN PRELIMINARY HEARING

WHERE ARE YOU EMPLOYED?

HOW LONG?

WHAT DO YOU DO THERE?

I AM SHOWING YOU TWO PICTURES AND I WANT YOU TO IDENTIFY THESE PEOPLE.
PAUSE

DO YOU RECOGNIZE THE PERSON IN THE FIRST PHOTO?
(PAUSE)AH,(PAUSE) AH YES. WE WERE (PAUSE)UH CO-WORKERS.

DO YOU RECOGNIZE THE PERSON IN THE SECOND PHOTO?
"UHM (PAUSE) (PAUSE) SHE WAS A CUSTOMER THERE."

THEN HE TOLD ABOUT HOW [REDACTED] GOLDMAN WERE GOING TO GO TO [REDACTED]

YES HE TALKED TO GOLDMAN BEFORE HE LEFT THE RESTAURANT.

"I WAS TIRED WHEN I GOT HOME."

YOU TALKED TO GOLDMAN BEFORE HE LEFT THAT NIGHT?
YES.

WHAT DID HE SAY?

HE SAID "I'LL TALK TO YOU LATER."

WHAT WAS GOLDMAN WEARING WHEN HE LEFT THE RESTAURANT?
HE HAD ON BLACK SLACKS AND A WHITE SHIRT.

DID YOU SEE WHICH WAY HE WENT WHEN HE LEFT THE RESTAURANT?
NO. I KNEW THAT HE LIVED WITHIN WALKING DISTANCE AND I KNEW THE DIRECTION BUT

NOT THE ADDRESS.

HE SAID HE DIDN'T RECALL TELLING POLICE THAT GOLDMAN WAS TAKING GLASSES TO
NICOLE.

HE INSISTED THAT HE WAS NOT AWARE THAT GOLDMAN HAD THE ENVELOPE WITH THE
SUNGGLASSES IN IT.

SHAPIRO SHOWED [REDACTED] THE POLICE REPORT OF THE CONVERSATION THE POLICE WROTE
DOWN THAT MORNING WHEN THEY INTERVIEWED [REDACTED]

[REDACTED] GOT EXTREMELY HOSTILE. (THROUGHOUT THE ENTIRE TESTIMONY AND
QUESTIONING HE WAS HOSTILE - - EVEN TOWARD MARGIA CLARK. I FOUND THIS ODD

SHAPIRO "IS THIS THE STATEMENT THAT YOU GAVE THE POLICE"
NO, SOMEONE ELSE MAY HAVE SAID THIS. I DIDN'T.

WERE YOU ALONE WHEN INTERVIEWED YOU?
NO, THERE WERE OTHERS AROUND. EVERYONE WAS TALKING.

DID THE POLICE WRITE DOWN YOUR STATEMENT
I DON'T KNOW!!

WELL, DID THEY HAVE A PEN AND PAPER ?
YES

DID THEY TAKE DOWN YOUR STATEMENT ?
I DONT' KNOW.

WERE THEY WRITING WHILE YOU WERE TALKING?
THEY WERE WRITING YES, BUT I DON'T KNOW WHAT THEY WERE WRITING AND /OR IF IT

WAS WHAT I WAS SAYING!"

HE SAYS HE DIDNT TELL POLICE THAT HE KNEW GOLDMAN WAS TAKING GLASSES TO
NICOLE. IT WAS NOT MENTIONED.

HE DIDN'T REMEMBER.

"I CANT REMEMBER WHAT I SAID. YOU HAVE TO REMEMBER TWO FRIENDS DIED THAT DAY.
EVERYTHING ELSE IS A FOG. "

"I SAW HIM AS HE WAS LEAVING. HE HAD TAKEN OFF HIS COAT & TIE. HE SAID-I'LL - -
SEE YOU LATER!" HE WAS STILL IN BLACK DRESS SLACKS & WHITE SHIRT OF THE

UNIFORM OF THE MEZZALUNA.

"NO I DONT RECALL WHICH DOOR HE LEFT BY."

(MANAGER SAID HE LEFT BY DOOR IN BAR & TALKED WITH [REDACTED] 1ST BEFORE LEAVING)

IS NICOLE'S ON THE WAY TO THE BAJA MARINA?
YES

HE SAID NO ONE HAD TALKED TO HIM ABOUT THE DAY EXCEPT FOR THE POLICE. (WHAT
ABOUT THE QUOTES IN THE PAPER -- -DON'T THEY NEED TO GET YOUR PERMISSION

BEFORE PRINTING YOUR NAME?)
HE SEEMED VERY AGITATED.

"HE WOULD GET HOME & CALL ME.. HE NEVER CALLED ME. I DECIDED TO GO TO BED CUZ
I WAS TIRED."

QUESTIONS:

IF NICOLE AND GOLDMAN WERE 2 OF HIS FRIENDS - - WHY DID IT TAKE HIM SOO LONG
TO RECOGNIZE THEM FROM THE PHOTOS?

THEN LATER HE SAYS "YOU HAVE TO REMEMBER 2 FRIENDS DIED THAT DAY.
EVERYTHING ELSE IS FOGGY."

HE SAID HE DIDN'T KNOW GOLDMAN WAS GOING TO NICOLE'S.

YET, LATER HE SAID THAT GOLDMAN WOULD CALL HIM WHEN HE GOT HOME. IF GOLDMAN
GOT OFF FIRST AND WAS GOING STRAIGHT HOME HE WOULD BE HOME BEFORE [REDACTED]

-CORRECT? SO IF HE CALLED [REDACTED] WHEN HE GOT HOME - - LITERALLY, [REDACTED]

WOULD STILL BE AT WORK - - CORRECT? [REDACTED] HAD TO KNOW THAT GOLDMAN WAS GOING
SOMEWHERE - - OR HE WOULD NOT HAVE HAD GOLDMAN 'CALL HIM WHEN HE (GOLDMAN) GOT

HOME.'

HE SAID HE DIDN'T KNOW GOLDMAN WAS GOING TO NICOLE'S.

THE MANAGER STATED SHE LOOKED FOR THE GLASSES, FOUND THEM, PUT THEM IN AN
ENVELOPE MARKED NICOLE SIMPSON - SUNGLASSES AND PUT THEM BEHIND THE BAR.

**I CAN'T BELIEVE THAT HE DIDN'T SEE THIS OR WAS NOT AWARE OF IT. I USED TO
BE A BARTENDER IN A RESTAURANT TOO. WHEN SOMEONE LOST SOMETHING, EVERYONE

WORKING WAS ASKED TO SEE IF SOMETHING HAD BEEN "TURNED IN". I CAN'T BELIEVE
THAT [REDACTED] WAS NOT AWARE OF THE MISSING SUNGLASSES. OR THE PHONE CALLS.

***ALSO, WHEN ITEMS WERE FOUND IN THE BAR WHERE I WORKED, THEY WERE PLACED
NEXT TO THE CASH REGISTER SINCE THIS WAS THE ONLY 'SAFE PLACE'. A PLACE WHERE

THEY WOULD NOT BE IN THE WAY, WOULD NOT GET DAMAGED, WOULD NOT BECOME
MISPLACED AMONG THE BAR BOTTLES AND GLASSES. THIS IS JUST TOO FAR FETCHED.

***THE MANAGER SAID THAT GOLDMAN ASKED FOR THE GLASSES AND TOLD HER THAT HE
WOULD TAKE THEM TO NICOLE. I ALSO CAN'T BELIEVE THAT [REDACTED] WAS NOT AWARE OF

THIS ALSO. WHAT KIND OF BARTENDER IS HE THAT HE ISN'T AWARE OF WHAT HAPPENS
NEAR 'HIS' TILL? ISN'T HE RESPONSIBLE FOR THE MONEY IN IT? I WAS WHEN I

[REDACTED] I ALWAYS KEPT ONE EYE ON THE TILL!!

HE SAID THAT GOLDMAN TALKED TO HIM AND THEN LEFT. NO HE DIDN'T KNOW BY WHICH
DOOR.

THE MANAGER SAID HE LEFT BY BAR DOOR AFTER TALKING TO [REDACTED]

**HOW COULD [REDACTED] NOT SEE WHAT DOOR GOLDMAN LEFT BY.

HE SAID GOLDMAN LEFT IN WHITE SHIRT AND BLACK SLACKS, HE HAD JACKET OVER HIS
ARM AND TIE REMOVED.

**I BELIEVE THAT HE MAY NOT HAVE ACTUALLY SEEN THE ENVELOPE AT THIS TIME - -
IT COULD HAVE BEEN IN THE JACKET POCKET.

GOLDMAN CHANGED CLOTHES BEFORE HE WAS KILLED.

SHAPIRO SHOWED [REDACTED] A COPY OF THE POLICE REPORT - - AFTER - - HE WAS
QUESTIONED AND CROSS EXAMINED. I BELIEVE THAT [REDACTED] GOT SO AGITATED BECAUSE

WHAT HE JUST TESTIFIED TO IN COURT - - UNDER OATH - - WAS NOT THE SAME AS WAS
RECORDED ON THE POLICE REPORT. AT THIS POINT HE WAS VERY HOSTILE. AND HIS

HANDS SHOOK.

**COULD IT BE THAT HE BLEW HIS ALIBI?

[REDACTED] SAID HE WAS FINISHING UP SOON.

THEN HE SAID HE GOT HOME AT 11:30.

**WOULDN'T SOON BE CLOSER TO 5-10-15 MINS AND NOT 1 1/2 HOURS?

AM I THE ONLY ONE WHO NOTICED THESE DISCREPANCIES?

WHY NOT QUESTION HIM FURTHER?

HE HAD PLANS TO GO TO [REDACTED] GOLDMAN. WHY DIDN'T HE CALL GOLDMAN
TO TELL HIM HE DIDN'T WANT TO GO BECAUSE HE WAS TIRED?

HE SAID THAT HE GOT TIRED OF WAITING FOR GOLDMAN TO CALL SO HE JUST WENT TO
BED.

IF GOLDMAN WAS HIS FRIEND - - WAS IT USUAL FOR HIM NOT TO CALL AS AGREED?
OR WAS IT RATHER THAT [REDACTED] DIDN'T TRY TO CALL HIM , NOR WORRY ABOUT HIM

BECAUSE HE KNEW THAT GOLDMAN WAS DEAD ALREADY?

HE SAID HE GOT HOME AT 11:30.

**WHAT TIME DID HE LEAVE THE RESTAURANT?

36863 Winter White

36887 Olive

Sizes: M 6½-12, 13.

B

LYON

Plain toe, four eyelet bal tie. Padded tongue and arch support. Textured Nabuk leather. Rubber sole.

Fully leather lined.

36510 Black

36520 Brown

36526 Brandy

36540 Blue

36563 Winter White

36587 Olive

Sizes: M 6½-12, 13

NO. 522

The cushiony feel of rubber soles.
The unexpected richness of textured
Nabuk uppers. Rugged, casual,
... yet distinctively set in the
Bruno Magli mold.

Evidence Should Be

☐ Mailed Back
☐ Picked Up By
 Contributor

This evidence will remain in the custody of the FBI Laboratory while the examinations are being conducted. Following completion of the examinations, a report containing the results of the examinations and the disposition of the evidence will be forwarded to your department. If evidence is picked up personally, your representative should identify it with the Laboratory case number(s) assigned in the FBI Laboratory report.

- K19 Fabric sample from GOLDMAN's pants (Item number 79)

Specimens received August 29, 1994, under cover of communication dated August 29, 1994 (40829005 S UJ):

- Q80 Debris from GOLDMAN's shirt
- Q81 Glass microscope slide containing debris from GOLDMAN's shirt

Result of examination:

Dark brown head hairs and head hair fragments exhibiting Negroid characteristics were found on or in specimens Q8, Q10, Q13, Q14, Q18, Q23 and Q47. These hairs/fragments exhibit the same microscopic characteristics as hairs found in the K7 specimen and, accordingly, could have originated from ORENTAL J. SIMPSON, the identified source of the K7 hairs. No other hairs like specimen K7 were found on or in items submitted from the victims, crime scene and glove recovered outside the O.J. SIMPSON residence. Negroid head hair fragments that are microscopically dissimilar to the K7 hairs were found on specimens Q10 through Q12 and Q14. These fragments could not be associated to O.J. SIMPSON.

Light brown to blonde Caucasian head hairs/fragments that exhibit the same microscopic characteristics as hairs found in specimen K4 were found on or in specimens Q1, ~~Q3~~, Q7, Q16, Q17, Q21 and Q23. These hairs could have originated from NICOLE SIMPSON, the identified source of the K4 hairs. No hairs like specimen K4 were found on or in specimens Q26 through Q46.

Brown to dark brown Caucasian head hairs/fragments that exhibit the same microscopic characteristics as hairs found in specimen K1 were found in specimens Q2 and Q3. These

hairs could have originated from RONALD GOLDMAN, the identified source of the K1 hairs. No hairs like specimen K1 were found on or in specimens Q26 through Q46.

A light brown Caucasian head hair that is microscopically dissimilar to those found in specimens K1 and K4 was found in the Q3 debris. This hair could not be associated to RONALD GOLDMAN or NICOLE SIMPSON.

Dog hairs suitable for future comparison purposes were found on or in items submitted from the victims/crime scene and glove recovered outside the O.J. SIMPSON residence.

Hair comparisons do not constitute a basis for absolute personal identification.

Beige nylon carpet-type fibers were found (one each) in the Q3 debris and on the Q47 knit hat. These fibers exhibit the same microscopic characteristics as fibers comprising carpet samples submitted from the suspect's Ford Bronco and, accordingly, could have originated from the Ford Bronco.

Dark blue acrylic fibers microscopically like those found in the composition of the Q47 knit hat were found in debris removed from the Q23 shirt (RONALD GOLDMAN). These fibers could have originated from the Q47 knit hat.

Other textile fibers were found in debris removed from the victims' clothing/crime scene items and glove recovered outside the O.J. SIMPSON residence. These fibers have been mounted on glass microscope slides for possible future comparisons.

Please call Supervisory Special Agent [redacted] (202) 324-4344, if you have any questions concerning the results of examinations in this case.

Fourier Transform Infrared (FT-IR) Spectroscopy - FBI

Lab Number: 40808026

Specimens: Q37: Trilobal fiber

Request: Qualitative analysis

Methods: A small portion of the sample was flattened with a roller and placed on a KBr window for analysis by transmission. A Nicolet 710 FT-IR spectrometer and a Nic-Plan IR microscope were used for the analysis. 128 scans were coadded for the spectrum at 4 cm^{-1} resolution.

Results: The IR spectrum of Q37 is consistent with that of nylon 6,6.

FT-IR: SPEC EXAM
1 1

Fourier Transform Infrared (FT-IR) Spectroscopy - FBI

Lab Number: 40808026 (Q23) and 40817019 (K17)

Specimens: K17: Two dark fibers
Q23: Two dark fibers

Request: Qualitative analysis and comparison

Methods: A small portion of each sample was flattened and placed on a KBr window for analysis by transmission. A Nicolet 710 FT-IR spectrometer and a Nic-Plan IR microscope were used for the analyses. 128 scans were coadded for each spectrum at 4 cm⁻¹ resolution.

Results: The IR spectra of K17 and Q23 are consistent with that of rayon and with each other.

FT-IR: SPEC EXAM

RE: FIBER INQUIRY

[REDACTED] DuPont, advised that the cross section of the fiber previously sent to him appears to be DuPont fiber type 1405. This nylon 6,6 fiber was first commercially produced in Waynesboro, VA in 1989. Production was moved to South Carolina in October of 1993 and finally discontinued in June of 1994.

Fiber type 1405 is a high aspect fiber with a target modification ratio of ~4.5. It was sold primarily to Masland and Collins-Aikman for use in automotive (90%). Lesser amounts of 1405 were sold to J.P. Stephens, McGee and Japan. Off-quality 1405 (up to 10%) was used in cheap residential and walk-out carpeting.

This evidence will remain in the custody of the FBI Laboratory while the examinations are being conducted. Following completion of the examinations, a report containing the results of the examinations and the disposition of the evidence will be forwarded to your department. If evidence is picked up personally, your representative should identify it with the Laboratory case number(s) assigned in the FBI Laboratory report.

253 37 11 20 AM '94
Director

FBI Federal Bureau of Investigation

TYPICAL ROLE OF A SPECIAL MASTER IN CASES
INVOLVING ANALYSIS OF PHYSICAL EVIDENCE

1. All defense analysis will be performed in the presence of the Special Master.
2. If the defense analysis requires cutting or separating a sample from an otherwise intact item of evidence, the following procedure will apply:
 - a. the cutting or separation will only be permissible if half of the removed sample can be retained for future analysis by the People.
 - b. the Special Master will deliver to a representative of the _____ any separated samples of evidence, after defense analysis, for repackaging.
3. The defense criminalist shall inform the Special Master of the analysis and the technique contemplated on each item of evidence prior to the performance of any analysis. If, in the opinion of the Special Master, the testing contemplated by the defense criminalist could destroy or otherwise compromise the evidentiary value of the evidence item (e.g., if the defense would render subsequent analysis of any evidence item unlikely), the Special Master will not allow the analysis to proceed and will report such to the court for purposes of a hearing.
4. The Special Master shall immediately notify the court if any items are lost, damaged, destroyed or diminished in evidentiary value.
5. The Special Master will ensure the confidentiality of all defense testing monitored. If at any point the Special Master feels that the confidentiality of defense testing will or has been compromised, the Master will report the matter directly to the court for purposes of a hearing.
6. The Special Master will notify the court when the defense testing has been completed and the property has been returned to _____.
7. The Special Master will maintain records of any defense analysis including, but not limited to, the following:
 - a. a record of each piece of evidence analyzed.
 - b. the type of analysis performed and the results of said analyses.

(these records will be kept confidential and not disclosed to anyone, except by order of the court.)

HOMICIDE

For the information of Los Angeles Division, the Laboratory Division was requested by the Los Angeles Police Department to determine the brand name and manufacturer as well as the size of footwear responsible for leaving bloody footwear impressions at the crime scene of captioned matter.

To date, the Laboratory has determined that this shoe design was manufactured by SILGA GOMMA, located in Civitino Marche, Italy and that its distribution in the United States was only by BRUNI-MAGLI/UMA of Carlstadt, N.J. The shoe was sold with two different style uppers, a low cut lace-up boot style named "LORENZO" and a standard lace-up style named "LYON." Each of these shoes were available in six colors and in size ranges from 6 1/2 to 13. The sole was a black rubber "cup sole" and the uppers were full leather. A copy of the style sheet depicting the profiles of the LORENZO and LYON styles and with style numbers for each color has been forwarded under separate cover. Photographs of the profiles of sample LORENZO and LYON shoes, photographs of the back of the shoe and photographs of the outsole design have also been forwarded under separate cover.

The Laboratory has also determined that the shoes of this design which made the impressions at the crime scene are a size 12.

Airtel to SAC, Los Angeles, dated 10/3/94
RE: Orenthal J. Simpson - Suspect; Nicole Simpson - Victim;
Ronald Goldman - Victim; Homicide

[redacted] of BRUNI-MAGLI/UMA INC.,
furnished a computerized print-out of each order number, date and
customer to whom size 12 or size 13 shoes were shipped.
Distribution was primarily in 1990 through 1992 with the first
actual shipment being in August, 1990. On the computerized shoe
distribution list the notation "CO" was placed alongside those
stores, such as "SYMS" and "SHOEMART", which are "CLOSEOUT"
stores to which remaining unsold shoes were shipped to for
reduced price sales. Mr. [redacted] also furnished the addresses
of all 40 stores to which these shoes were shipped.
Mr. [redacted] advised that he is the only person who has sold
this design shoe in this country. The total sales of size "12"
shoes of the LORENZO and LYON design in this country, as
reflected on the computerized sheets, is 296 pairs. The retail
value of those shoes was \$160.

The Laboratory has communicated with representatives of
both BRUNI MAGLI headquarters in Florence, Italy, as well the
manufacturer of the soles, SILGA GOMMA. Neither is aware of any
other U.S. distribution of shoes of this design.

The Laboratory is furnishing this information to the
Los Angeles Division to assist in attempts to associate captioned
suspect with the purchase of this style shoe.

Any questions or further assistance regarding this
matters may be directed to SSA [redacted] Laboratory
Division, FBIHQ.

NOTICE TO STATE AND LOCAL CRIME LABORATORIES

Effective July 1, 1994, the FBI Laboratory will no longer accept evidence from State and local law enforcement agencies for forensic examination in cases involving property crime investigations, except those cases involving personal injury or crimes that were intended to cause personal injury. The FBI Laboratory will continue accepting evidence related to violent crime investigations, including those that may involve property crime. These new guidelines are being implemented, in part, to ensure that the FBI continues to provide timely forensic assistance to law enforcement agencies investigating crimes of violence or threatened violence.

This notice is provided to allow State and local police agencies and their supporting crime laboratories adequate time to make other arrangements to examine forensic evidence in property crime cases.

The following are examples of State and local property crimes that will not be accepted for examination by the FBI Laboratory as of July 1, 1994.

- ☐ Arson of vacated residential dwellings and commercial buildings. (Because arson of occupied residential dwellings is considered a violent crime rather than a property crime, such cases will not be affected by the new policy.)
- ☐ Nonfatal traffic accidents involving speedometer and/or headlight examinations, except cases involving law enforcement officers or State and local government officials.
- ☐ Vandalism and malicious mischief directed toward personal or commercial property.
- ☐ Hit-and-run automobile accidents that involve no personal injury.
- ☐ Autotheft, except cases involving autotheft rings or carjackings.
- ☐ Breaking and entering.
- ☐ Burglary.
- ☐ Minor theft (under \$100,000).
- ☐ Minor fraud (under \$100,000).
- ☐ Explosive incidents and hoaxes targeting unoccupied dwellings, vacant commercial buildings, and other uninhabited property.

At the discretion of the FBI Laboratory's Assistant Director (or designee), the Laboratory may agree to accept evidence from property crime cases that would not otherwise be accepted under the revised policy. Such exceptions will be considered only on a case-by-case basis and should not be regarded as setting a precedent for future case acceptance. However, all accepted cases will continue to be afforded the full range of forensic services offered by the FBI Laboratory.

50217009

Dear Special Agent [redacted]

In re People v Orenthal James Simpson, No. BA097211

Orenthal J. Simpson

This letter is to describe the items we are sending to you in order to detect the presence or absence of EDTA in specific bloodstains which are of significance in this case. We are sending you the following items:

LAPD #13/404- socks and swatch in tube

LAPD #17- Simpson reference tube

LAPD #59- Nicole reference tube

LAPD #72- Nicole's reference swatch

LAPD #117- remaining swatch and substrate control

LAPD #86/DOJ 60- control bloodstain from Nicole's dress for EDTA test

We are also sending you photographs of the socks (item 13) which show areas which have already been sampled. In addition, we have included an infrared videotape of the socks which shows additional bloodstained areas which are difficult to see with unaided vision.

The Defense has expressly alleged that the bloodstain on the socks which is represented by the remaining swatch must have been planted. The only possible source could be the victim, Nicole's reference sample.

95-10-10-1-25

In addition, there is also an implicit allegation that the bloodstain found on the crime scene rear gate (item 117), which was not collected for three weeks, may also have been planted.

Special Agent [REDACTED]
Page Two
February 16, 1995

We would like you to test these items for the presence/absence of EDTA in order to refute the possibility that the stain on the sock (item 13) could have come from Nicole's reference sample (59 or 72). Similarly, we would like you to test item 117 to refute the possibility that it could have come from Simpson's reference sample (#17).

Very truly yours,

GIL GARCETTI
District Attorney

Re: ORENTAL JAMES SIMPSON - DEFENDANT;
HOMICIDE

Specimens received: March 9, 1995

Q1 One Panasonic RT-60 MC microcassette marked in part
"2-28-95"

Result of examination:

Two enhanced monaural copies of specimen Q1 were made, with each copy on a separate magnetic tape cassette.

In order to obtain maximum intelligibility, the enhanced copies should be played back on high-quality tape recorders and reviewed with headphones.

Supervisory Special Agent [Redacted] conducted the enhancement examination.

The two enhanced copies of specimen Q1 were forwarded to your office via Federal Express on March 14, 1995. Specimen Q1 is being retained pending further instructions from your office.

MAR 13 1995

If, in the future, authenticity analysis is determined to be necessary in this matter, then the following information and specimens would be needed in order to conduct a meaningful examination:

A. The tape recorder and related equipment used to produce the recording. If the original equipment is no longer available or identifiable, submission of a similar system is very helpful. The recorder and accessories should not be serviced or changed in any manner, but if they have already been damaged or required maintenance since the pertinent recording was made, exact details should be provided.

B. A typed transcript of the questioned recording.

C. A detailed statement, under oath if at all possible, from the person who made the recording, describing in detail exactly how the recording was produced and the conditions that existed at the time, including:

1. Power source - alternating current (AC), batteries, etc.

2. Input - internal or remote microphone.

3. Environmental noises present other than the two people speaking.

4. Closeness of speakers to the microphone and whether or not the tape recorder or microphone was handled or touched during the interview.

5. Whether the tape in question was new or used.

6. Recorder operation - number of times turned on and off in the record mode, type of keyboard or remote operation for all known record events, use of voice-activated features, etc.

7. After the interview was completed, how many times was the original tape played and by what machines.

8. If the tape was copied, number of times copied, and location of the copies.

YF**

Mr. [REDACTED]
Federal Bureau of Investigation
Engineering Research Facility
Quantico, Virginia 22135

Dear Mr. [REDACTED]

In re People v. Orenthal James Simpson, BA097211

Pursuant to the phone conversation between our office and Mr. [REDACTED] on March 6, 1995, please find enclosed an audio cassette tape containing a recorded interview of Ms. [REDACTED] by Defense Investigator [REDACTED]. This interview was conducted as part of the defense investigation for the above referenced case.

With respect to this audio cassette, the Los Angeles District Attorney's Office requests that you conduct enhancement analysis in order to determine whether the tape was stopped at any time during the interview. To the extent possible, additional examination is requested to determine whether there are any other physical alterations or editing of the tape.

As you are aware, we are currently in trial and this tape has been removed from evidence solely to undergo such testing. Therefore, we would greatly appreciate the completion of the tests and the return of the tape to our office within (30) days.

Thank-you for your assistance in this matter.

Very truly yours,

GIL GARCETTI
District Attorney

DICTATION Results of Examination

Lab# :50705001 S/D UJ ZO
50706010 S/D UJ ZO

FO :Los Angeles County District Attorney

Case#:95A-HQ-1075008

Date :August 1, 1995

Results:

(Insert into Final Report)

The Q218 (Lab# 50705001) photographic negatives were examined and the frame depicting a left glove was printed to show maximum image detail. The K70 (Lab#50706010) photographic negatives depicting a left glove, labelled "Item #37," were examined and compared to the Q218 image. The Q218 left glove has the same observable class characteristics as the K70 left glove.

Pursuant to a telephone call on 8/1/95 from [redacted] of the submitting agency, ^{#2}the evidence was returned directly to him at: Los Angeles County District Attorney, Room 18-129, 210 W. Temple St., Los Angeles, CA 90012.

b6
b7C

Specimen received August 23, 1996 under laboratory number
60823003 D QJ:

Q243 FUJI 400 color negative strip consisting of negatives
 #1 and #2 plus color and black and white prints made
 from these negatives

Specimens received August 23, 1996 under laboratory number
60826002 D QJ:

K35 Bruno Magli Lorenzo shoe, size 12 (resubmitted)

K36 Bruno Magli Lyon shoe, size 9 1/2 (resubmitted)

Specimen received September 3, 1996 under laboratory number
60903003 D QJ:

K78 Brochures depicting footwear from Bruno Magli,
 Ferragamo and Cole Haan.

Results of examination:

Color prints of Q243 were prepared as follows:

- * contact print of Q243
- * 11" x 14" print of Q243
- * 8" x 10" print of both shoes and legs below the knees
depicted in Q243
- * 8" x 10" prints of left shoe and right shoe with color
shift to red
- * 8" x 10" separate panalure prints of left shoe and of
right shoe depicted in Q243
- * Computer prints of shoes depicted in Q243

K35 and K36 were photographed in positions approximating
the position of the right shoe depicted in Q243. In addition,
color and black and white photographs of the profiles of the
K35 and K36 shoes were taken.

Examination of the shoes depicted in negative #1 of Q243
and prints made from that negative correspond with numerous
respective features of the K35 BRUNO MAGLI LORENZO shoe and the
features of the BRUNO MAGLI LORENZO make-up shoes, previously
obtained in Italy from the Silga and 4/C factories. Those
features include:

SHOE SOLE:

- * The shape, sole profile and type of shoe sole,
including the stitching groove, sole contour in heel area,
cut medial heel corner, and sole edge contours.

* The sole of the right shoe depicted in Q243 reflects a pattern having several features which correspond with the bottom design of the U2887 Silga sole used on the BRUNO MAGLI LORENZO shoes.

SHOE UPPER:

- * The high ankle construction of the upper
- * General features - casual shoe, dull finish with synthetic non-leather sole
- * Lace up front
- * Seam positions in upper of shoe

No differences were noted between the shoes depicted in the Q243 photograph and the features present on the BRUNO MAGLI LORENZO shoes.

It is noted that the BRUNO MAGLI LORENZO model was manufactured in six colors, including black.

Based on the aforementioned features depicted in the Q243 photographed shoes and their correspondence with the respective unique combined features of the BRUNO MAGLI LORENZO cup-sole and upper, it was determined that the shoes depicted in that Q243 photograph are BRUNO MAGLI LORENZO shoes and are not shoes of another independent origin.

Representative photographs were taken of the K78 items and other shoe brochures to illustrate the diverse number of possible sole and upper combinations.

Q243 was personally returned to Mr. [REDACTED] on 8/23/96. The K35/K36 shoes were returned under separate cover by express mail to Mr. [REDACTED] c/o Mitchell, Silberberg & Knupp, Los Angeles, California, on 8/23/96. Q233 through Q242, K77, K78 and the ALSO SUBMITTED item and prints made in this laboratory from the Q243 negative are being returned to a representative of the contributor on September 6, 1996.

Defense Shoeprint Photographs

Vio Horn

Dear

Enclosed please find two 18 x 12 enlargements of the two photos taken by Dr. on 6/25/94 that he has referred to in his testimony. These are enlargements of photos taken of the photos provided us by the defense- this accounts for their poor quality.

Thank you, yet again, for your assistance. will be in touch to see what you think.

Very Truly Yours

Qc251 (marked Roll 2, #4)

Qc253 11" x 17" copy of contact sheet of 35mm Fuji
color film depicting 27 exposed frames numbered
2 through 28. (marked Roll 1)

Specimen received January 9, 1997 under laboratory number
70110004 D QJ:

Q254 8" x 10" photograph of ORENTHAL J. SIMPSON

Results of examination;

Subject to examination and confirmation of the original
photographs, it was determined that the shoes worn by ORENTHAL
J. SIMPSON, depicted in the Qc244 through Qc253 items, are
BRUNO MAGLI LORENZO shoes.

The shoes worn by ORENTHAL J. SIMPSON in the Q254
photograph are consistent with the general appearance features
of BRUNO MAGLI LORENZO shoes; however, due to the limited
nature of the Q254 photograph, a more detailed examination was
not made.

The above described items are being returned under
separate cover.

Q84 Knit hat (95)

Q85 Head band (96)

Q86 Knit hat (98)

Result of examination:

This report supplements the FBI Laboratory report to Ms. Michelle Kestler, Laboratory Director, Scientific Investigation Division dated September 7, 1994. Pursuant to your request, all subsequent FBI Laboratory reports will be directed to you. A complete specimen listing is included in this report.

Black rayon fibers found in the composition of the K17 fabric sample (NICOLE SIMPSON's dress) were found in debris removed from RONALD GOLDMAN's shirt (Q23). These fibers could have originated from the same source as K17.

Dark brown head hairs exhibiting Negroid characteristics were found in debris removed from specimens Q84 through Q86. These hairs exhibit the same microscopic characteristics as hairs found in specimen K7 and, accordingly, could have originated from ORENTAL J. SIMPSON, the identified source of the K7 hairs.

The Q78 and Q79 vacuum sweepings from the O.J. SIMPSON Bronco (40817019) were examined for the presence of hairs microscopically like the known head hairs from NICOLE SIMPSON and RONALD GOLDMAN; however, none were found. In the report dated September 7, 1994, the results of hair comparisons conducted with NICOLE SIMPSON's head hair sample (K4) should be amended. Paragraph two of that report should read:

"Light brown to blonde Caucasian head hairs/fragments that exhibit the same microscopic characteristics as hairs found in specimen K4 were found on or in specimens Q1, Q7, Q16, Q17, Q20, Q21 and Q23. These hairs could have originated from NICOLE SIMPSON, the identified source of the K4 hairs. No hairs like specimen K4 were found on or in specimens Q26 through Q46."

It is noted that of the two specimens containing debris found on the glove recovered from the O.J. SIMPSON residence (Q1 and Q3), only Q1 contained hairs microscopically like the known head hairs from NICOLE SIMPSON. A head hair like K4 was also found in debris removed from RONALD GOLDMAN's shoes (Q20).

No textile fibers like those found in debris removed from specimens Q84 through Q86 were found in debris removed from specimen Q47 (knit hat found at crime scene).

Other Laboratory examinations are in progress and you will be subsequently advised of their results and of the disposition of the submitted items.

Please call Supervisory Special Agent [REDACTED] (202) 324-4344, if you have any questions concerning the results of examinations in this case.

Partial report

This report supplements the FBI Laboratory report to Ms. Michelle Kestler, Laboratory Director, Scientific Investigation Division dated September 7, 1994. Pursuant to your request, all subsequent FBI Laboratory reports will be directed to you. A complete specimen listing is included in this report.

Black rayon fibers found in the composition of the K17 fabric sample (NICOLE SIMPSON's dress) were found in debris removed from RONALD GOLDMAN's shirt (Q23). These fibers could have originated from the same source as K17.

Dark brown head hairs exhibiting Negroid characteristics were found in debris removed from specimens Q84 through Q86. These hairs exhibit the same microscopic characteristics as hairs found in specimen K7 and, accordingly, could have originated from ORENTAL J. SIMPSON, the identified source of the K7 hairs.

The Q78 and Q79 vacuum sweepings from the O.J. SIMPSON Bronco (40817019) were examined for the presence of hairs microscopically like the known head hairs from NICOLE SIMPSON and RONALD GOLDMAN; however, none were found. In the report dated September 7, 1994, the results of hair comparisons conducted with NICOLE SIMPSON's head hair sample (K4) should be amended. Paragraph two of that report should read:

"Light brown to blonde Caucasian head hairs/fragments that exhibit the same microscopic characteristics as hairs found in specimen K4 were found on or in specimens Q1, Q7, Q16, Q17, Q20, Q21 and Q23. These hairs could have originated from NICOLE SIMPSON, the identified source of the K4 hairs. No hairs like specimen K4 were found on or in specimens Q26 through Q46."

It is noted that of the two specimens containing debris found on the glove recovered from the O.J. SIMPSON residence (Q1 and Q3), only Q1 contained hairs microscopically like the known head hairs from NICOLE SIMPSON. A head hair like K4 was also found in debris removed from RONALD GOLDMAN's shoes (Q20).

No textile fibers like those found in debris removed from specimens Q84 through Q86 were found in debris removed from

specimen Q47 (knit hat found at crime scene).

Other Laboratory examinations are in progress and you will be subsequently advised of their results and of the disposition of the submitted items.

Please call Supervisory Special Agent [REDACTED] (202) 324-4344, if you have any questions concerning the results of examinations in this case.

- Q98 Three (3) 3 x 5 inch photographs, labeled P#70 through P#72, of steps
- Q99 Twenty (20) 3 x 5 inch photographs, labeled P#368 through P#386 and P#390, of footwear impressions on walkway

K37 Twenty-five (25) 3 x 5 inch photographs labeled P1040¹⁰³⁹ through P1063, of PATAUGAS boots of victim GOLDMAN, European size 44, US size 11 item #78

Specimens received September 1, 1994 (41019001 D/S UJ QJ):

Q100 Photographs of luminol processing of floor mat, item #33, on September 1, 1994 and accompanying photographic log

Q101 Color photographs of carpet and Leuco Crystal Violet processing of floor mat, item #33, on September 1, 1994 and accompanying photographic log

Result of examination:

This report supplements the FBI Laboratory report to your office dated October 3, 1994. For a complete listing of specimens Q1 through Q86 and K1 through K34, please refer to that report.

It was determined that the footwear impressions depicted in the Q48 through Q77 photographs correspond with a sole design known as "U 2887" which has been produced by SILGA GOMMA S.R.L. of Civitanova Marche, Italy since January, 1990. The "U 2887" soles are compression molded unit soles produced exclusively by SILGA, who then sells them to various manufacturers for utilization on their shoes. Although this sole has been distributed to several footwear companies throughout Italy, information obtained to date has indicated that this sole was only sold on shoes in the United States on two styles of men's BRUNI MAGLI shoes. Distribution of those BRUNI MAGLI shoes was limited. Photographs of the "U 2887" soles and the K35/K36 shoes and information regarding the distribution of the BRUNI MAGLI shoes has been furnished under separate cover to the Los Angeles Police Department and the Los Angeles Division of the FBI. Any additional information acquired by the Laboratory regarding distribution of the "U 2887" soles on finished footwear will be furnished in a subsequent report.

It was determined that the footwear impressions represented in the Q48, Q51, Q52, Q54, Q55, Q60, Q61, Q68, Q70, Q71, Q72, Q74 and Q77 photographs correspond with the left European size 46 "U 2887" sole, K28, and it was determined that the footwear impressions represented in the Q49, Q53, Q56, Q59, Q62, Q64, Q65, Q66, Q73, and Q75 photographs correspond with the right European size 46 "U 2887" sole, K29. The European size 46 soles, as represented by K28, K29, K33, and K34, are used on U.S. size 12 shoes, as reflected in the K35 item, and based on industry confirmation and sizing reference information. Shoes which are manufactured for sale in the United States but which are fitted with European size 46 "U 2887" soles are sized and sold as U.S. size 12 shoes.

In addition, the impressions represented in the Q50 and Q69 photographs, although limited in detail, correspond with the size and contour of the right European size 46 sole. The impressions depicted in the Q57, Q58, Q63, Q67 and Q76 photographs have not retained sufficient detail to enable a detailed comparison with the "U 2887" soles.

It was determined that the shoes depicted in the K32 photographs are not identical to the K35/K36 BRUNI MAGLI shoes or the "U 2887" SILGA soles.

On September 1, 1994, Item #33, a beige colored floor mat, was treated with luminol and photographed. Photographs of the luminol processing are described as Q100. Subsequent to that treatment, item #33 was treated with Leuco Crystal Violet. Photographs of the Leuco Crystal Violet processing are described as Q101. These procedures were utilized to enhance blood impressions on item #33. Examination of the impressions on item #33 and attempts to improve the visualization of those impressions is ongoing. Upon completion, the results will be provided in a subsequent report.

Enlarged color photographic prints were made from the Q82 and Q83 negatives. Some of these prints were provided to the Armed Forces Institute of Pathology for to attempt to improve the visualization and interpretation of marks on the victim NICOLE SIMPSON's back, which are depicted in the Q82 and Q83 photographs. You will be advised of the results of these continuing examinations upon their completion. The Q82 and Q83 photographs and enlargements are enclosed herewith. The Q82 and Q83 negatives have been personally returned to a representative of the Los Angeles Police Department.

The Q48 through Q77, Q82, Q83, Q100, Q101 and K32 photographs are enclosed herewith. The K20 through K31 and K33 through K36 items are being temporarily retained. Examinations are continuing and will be reported in a subsequent report.

This Report Is Furnished For Official Use Only;

b6
b7C

Result of examination:

This report supplements the FBI Laboratory reports dated September 7, October 3 and October 20, 1994. A complete listing of submitted items can be found in those reports.

Bluish-black cotton fibers that are alike microscopically were found in specimens Q1, Q3, Q23 and Q27. These fibers could have originated from the same source. The source of these fibers is unknown to the Laboratory.

A blue cotton fiber microscopically like fibers found in specimen K19 was found in the Q7 specimen. While K19 cannot be eliminated as a possible source of the Q7 fiber, the commonness of this type of fiber limits its evidential value.

Off-white cotton fibers that appear "bloody" were found in or on specimens Q1/Q3, Q7, Q8 and Q47. These fibers are similar to fibers found in specimen K18. While K18 cannot be eliminated as a possible source of the off-white cotton fibers, the commonness of this type of fiber limits its evidential value.

A blue cotton fiber was found on the Q104 glass microscope slide. The source of this fiber could not be determined.

Other Laboratory examinations are in progress and you will be subsequently advised of their results and of the disposition of the submitted items.

Please call Supervisory Special Agent [redacted] (202) 324-4344, if you have any questions concerning the results of examinations in this case.

Partial report

Result of Examination:

This report supplements the FBI Laboratory reports dated September 7, October 3 and October 20, 1994. A complete listing of submitted items can be found in those reports.

Bluish-black cotton fibers that are alike microscopically were found in specimens Q1, Q3, Q23 and Q27. These fibers could have originated from the same source. The source of these fibers is unknown to the Laboratory.

A blue cotton fiber microscopically like fibers found in specimen K19 was found in the Q7 specimen. While K19 cannot be eliminated as a possible source of the Q7 fiber, the commonness of this type of fiber limits its evidential value.

Off-white cotton fibers that appear "bloody" were found in or on specimens Q1/Q3, Q7, Q8 and Q47. These fibers are similar to fibers found in specimen K18. While K18 cannot be eliminated as a possible source of the off-white cotton fibers, the commonness of this type of fiber limits its evidential value.

A blue cotton fiber was found on the Q104 glass microscope slide. The source of this fiber could not be determined.

Other Laboratory examinations are in progress and you will be subsequently advised of their results and of the disposition of the submitted items.

All above listed items were collected by Criminalist [redacted] except item #360 which was collected by Crim. Raquel [redacted]. The subject, from which items #349-362 were collected, were located at the laboratory, 555 Ramirez St. sp. 270, at time of collection. [redacted] was located at WLA station. [redacted] was located at the LA Coroner's office. Both dogs were located at the residence at 360 N. Rockingham.

FOR DISPOSITION OF EVIDENCE, CONTACT RHD [redacted] (Vannatter)

CLASSIFICATIONS OF BOOKED PROPERTY:

Evidence - Items which are, or may be, related to a crime, or which may either implicate or exonerate a person.

Non-Evidence - Property other than evidence or an arrestee's excess personal property.

WHO TO BOOK PROPERTY TO:

Evidence - 1. If related to previously booked evidence, book to same person or firm as on original report. (Use original DR and continue item numbers in sequence.) 2. If not related to previously booked evidence, book to arrestee. 3. If no arrestee, book to victim. 4. If no arrestee or victim, book to owner or possessor. 5. If 1, 2, 3, and 4 do not apply, book to Department employee.

Non-Evidence - 1. Book to owner. 2. If ownership cannot be determined, book to finder.

EXCEPTION: When non-evidence is removed from a vehicle, and the owner of the property is unknown, book it to the registered owner. When neither is known, book it to the employee.

REPORT REQUIRED FOR BOOKING EVIDENCE:

The employee booking the evidence shall ensure that the correct property information is forwarded with the evidence (Two copies of reports are required if the evidence is narcotics or firearms, or if blood or urine is booked within O-VB.)

If the Property Report is an evidence continuation page of an Arrest Report or PIR, staple the Property Report on top of the related Arrest Report (or PIR if no Arrest Report), and forward with evidence.

NOTE: If multiple arrestees are involved, the face sheet stapled to the Property Report should be that of the arrestee to whom the evidence is booked.

EXCEPTIONS TO USE OF COMBINED EVIDENCE / ARREST or PIR:

Use a Property Report completed in its entirety and distributed separately when:

- Evidence is related to previously booked evidence.
- Evidence is booked to other than the primary victim (listed at top) of a multiple victim PIR.
- Reporting more than one license plate (or set of plates). One plate may be reported using the combined procedure. Each additional plate (or set of plates) requires a separate complete Property Report and a separate Vehicle DR number.
- The reporting employee's supervisor determines that a separate complete Property Report would be a more expeditious means of booking the evidence under the given circumstances.

DISTRIBUTION OF COMBINED REPORT (Record Unit): Distribute the Property Report as a page of the related Arrest Report and PIR. In addition to that distribution, forward one copy of the Property Report independently as follows.

- R & I CMRS (with ADRIS print out) if there is no crime report involved, i.e., if the report is a combined arrest/evidence
- R & I Crime and Property TT Unit Supervisor, if a firearm is booked. Forward this copy without delay.

Result of examination:

This report supplements the FBI Laboratory reports dated September 7, October 3, October 20, November 15 and December 13, 1994. For a complete listing of the submitted items, please refer to those reports.

No hairs microscopically like those comprising specimens K59 and K60 were found on or in items previously submitted from the crime scene, victims or on the leather glove recovered at the O. J. SIMPSON residence.

Blue cotton fibers microscopically like those found in specimen K19 (GOLDMAN jeans) were found in specimens Q1, Q20, Q21 and Q23. While K19 cannot be eliminated as a possible source of the above-mentioned fibers, the common nature of this type of fiber limits its evidential value. It is noted that specimens Q20, Q21 and Q23 represent debris removed from the clothing of RONALD GOLDMAN.

Brown cashmere fibers microscopically like those comprising the lining of the leather glove recovered from the crime scene (Item #37) and the lining of the leather glove recovered from the O. J. SIMPSON residence (Item #9) were found in specimens Q8 (knit hat) and Q23 (GOLDMAN shirt). These fibers could have originated from either glove. It is noted that the left glove (Item #37) and the right glove (Item #9) are alike with respect to color, design, size, construction and fiber composition, and could be a matching pair.

Brown wool fibers, white wool fibers and black wool fibers were found in specimens Q4 and Q5 (40808026). These fibers are microscopically like wool fibers comprising the brown and white "Glenbrook" cap (Q61/Item #27) and, accordingly, could have originated from the cap. It is noted that specimens Q4 and Q5 represent debris removed from the "Glenbrook" cap.

Other Laboratory examinations are in progress and you will be subsequently advised of their results and of the disposition of the submitted items.

K53 Dog hair sample - CHACHI (Item number 365)
K54 Dog hair sample - KATO (Item number 366)

Result of examination:

This report supplements the FBI Laboratory reports dated September 7, October 3, October 20 and November 15, 1994. For a complete listing of submitted items, please refer to these reports.

No head hairs microscopically like those found in specimens K37 through K52 were found on or in items previously submitted from the victims, crime scene and from specimens Q1 and Q3 (FBI Laboratory reports dated September 7, October 3, and November 15, 1994). A light brown, artificially treated head hair exhibiting Caucasian characteristics was found on specimen Q19 (40808026). A dyed head hair fragment was also found on specimen Q15. This hair and fragment are dissimilar to specimens K1, K4, K40 through K46 and K48 through K50.

White dog hairs microscopically like those found in specimen K54 were found in specimens Q1, Q3, Q7, Q8, Q20, Q21, Q23, Q24 and Q25 (FBI Laboratory number 40808026 S/D UJ QJ). These hairs could have originated from the same source as the K54 dog hairs. A black fur hair microscopically like those found in specimen K53 was found in specimen Q25. This hair could have originated from the same source as the K53 dog hairs. A black animal hair that exhibits both similarities and

differences to hairs found in specimen K53 was found in the Q7 specimen. No conclusion could be reached as to whether or not this hair could have originated from the same source as the K53 dog hairs.

It is noted that dog hairs do not possess enough individual unique microscopic characteristics to identify them to a particular dog to the exclusion of other similar dogs.

Other Laboratory examinations are in progress and you will be subsequently advised of their results and of the disposition of the submitted items.

Please call Supervisory Special Agent
[redacted] (202) 324-4344, if you have any questions
concerning the results of examinations in this case.

Laboratory # 41201032 S UJ

Final report

Result of Examination:

This report supplements the FBI Laboratory reports dated September 7, October 3, October 20 and November 15, 1994. For a complete listing of submitted items, please refer to these reports.

No head hairs microscopically like those found in specimens K37 through K52 were found on or in items previously submitted from the victims, crime scene and from specimens Q1 and Q3 (FBI Laboratory reports dated September 7, October 3, and November 15, 1994). A light brown, artificially treated head hair exhibiting Caucasian characteristics was found on specimen Q19 (40808026). A dyed head hair fragment was also found on specimen Q15. This hair and fragment are dissimilar to specimens K1, K4, K40 through K46 and K48 through K50.

White dog hairs microscopically like those found in specimen K54 were found in specimens Q1, Q3, Q7, Q8, Q20, Q21, Q23, Q24 and Q25 (FBI Laboratory number 40808026 S/D UJ QJ). These hairs could have originated from the same source as the K54 dog hairs. A black fur hair microscopically like those found in specimen K53 was found in specimen Q25. This hair could have originated from the same source as the K53 dog hairs. A black animal hair that exhibits both similarities and differences to hairs found in specimen K53 was found in the Q7 specimen. No conclusion could be reached as to whether or not this hair could have originated from the same source as the K53 dog hairs.

It is noted that dog hairs do not possess enough individual unique microscopic characteristics to identify them to a particular dog to the exclusion of other similar dogs.

Other Laboratory examinations are in progress and you will be subsequently advised of their results and of the disposition of the submitted items.

This Report Is Furnished For Official Use Only

Specimens received November 7, 1994 Field Exam (41216001 S/D UJ QJ):

- Q148 White bloodstained envelope containing eyeglasses and bearing footwear impressions (Item number 39)
- K55 Left Reebok shoe, size 12, belonging to ORENTAL J. SIMPSON (Item number 18)
- K56 Right Reebok shoe, size 12, belonging to ORENTAL J. SIMPSON (Item number 18)
- K57 Left Pataugas boot, size 11, belonging to RONALD GOLDMAN (Item number 78)
- K58 Right Pataugas boot, size 11, belonging to RONALD GOLDMAN (Item number 78)

Specimens personally delivered by [redacted] on January 9, 1995, under cover of communication dated January 9, 1995 (50109002 S UJ): b6
b7c

- Q149 Hat (Item number 375)
- Q150 Debris from item number 375 (Item number 378)
- Q151-Q154 Hats (Item number 376)
- Q155 Debris from item number 376 (Item number 379)
- Q156 Blanket (Item number 377)
- Q157 Debris from item number 377 (Item number 380)
- Q158 Tape lift from sweat shirt (Item number 381)
- Q159 Tape lift from jacket (Item number 382)

Specimens personally delivered by [redacted] on January 10, 1995, under cover of communication dated January 10, 1995 (50110004 S/D UJ QJ): b6
b7c

- Q160 Shirt (Item number 97)
- Q161 Shirt (Item number 101)
- Q162 Shirt (Item number 102)
- Q163 Piece of paper (Item number 62 and 63)

- Q164-Q169 Six (6) negatives (C133165, #20-25)
- Q170-Q173 Four (4) negatives (C#132369, #9-12)
- Q174-Q184 Eleven (11) negatives (C133219, #1-11)
- Q185-Q186 Two (2) negatives (C133969, 2 B&W)
- Q187-Q196 Ten (10) negatives (C#133219, 1-10)
- Q197-Q202 Six (6) negatives (C#133295, #1-5)

Result of examination:

This report supplements the FBI Laboratory reports dated September 7, 1994, October 3, 1994, October 20, 1994, December 13, 1994 and January 5, 1995. All of the requested examinations have been completed. For a complete listing of submitted items, please refer to these reports.

Paragraph three (3) of the FBI Laboratory report dated October 20, 1994 should be amended as follows:

It was determined that the footwear impressions represented in the Q48, Q51, Q52, Q54, Q55, Q60, Q61, Q64, Q68, Q70, Q71, Q72, Q74 and Q77 photographs correspond with the left European size 46 "U 2887" sole, K28, and it was determined that the footwear impressions represented in the Q49, Q53, Q56, Q59, Q62, Q65, Q66, Q73, and Q75 photographs correspond with the right European size 46 "U 2887" sole, K29. The European size 46 soles, as represented by K28, K29, K33, and K34, are used on U.S. size 12 shoes, as reflected in the K35 item, and based on industry confirmation and sizing reference information. Shoes which are manufactured for sale in the United States but which are fitted with European size 46 "U 2887" soles are sized and sold as U.S. size 12 shoes.

SHOE PRINT:

Comparisons were made of the footwear impressions depicted in the Q48 through Q77 and Q105 through Q116 photographs with the various "U 2887" SILGA outsoles described as K20 through K31 and K33 through K36. The majority of the discernable footwear impressions depicted in those photographs correspond with the "U 2887" design and specifically,

with the "European size 46" left or right soles. A few of the impressions, as noted below, are too indistinct for detailed comparison.

<u>Q's</u>	<u>PHOTO NUMBER</u>	<u>RESULTS</u>
Q48	P368	LEFT SOLE, SIZE 46
Q49	P369	RIGHT SOLE, SIZE 46
Q50,69,105	P370/P47	SIMILARITIES TO RIGHT SOLE SIZE 46
Q51,70,106	P371/P48	LEFT SOLE, SIZE 46
Q52,71,72,& 107,108,110	P372/P49/P50	LEFT HEEL/SOLE, SIZE 46
Q53,73,111,112	P373/51	RIGHT HEEL/SOLE SIZE 46
Q54,74,113	P374/P52	LEFT HEEL/SOLE SIZE 46
Q55	P375	LEFT HEEL/SOLE SIZE 46
Q56,75,115	P376/P55	RIGHT HEEL/SOLE SIZE 46
Q57,76,114	P377,P56	TOO INDISTINCT
Q58	P378	TOO INDISTINCT
Q59	P379	RIGHT HEEL/SOLE SIZE 46
Q60	P380	LEFT SOLE SIZE 46
Q61,77,109	P381/P57	LEFT HEEL, SIZE 46
Q62	P382	LEFT HEEL/SOLE SIZE 46
Q63	P383	TOO INDISTINCT
Q64	P384	LEFT HEEL SIZE 46
Q65	P385	RIGHT HEEL SIZE 46
Q66	P386	RIGHT HEEL/SOLE SIZE 46
Q67	---	TOO INDISTINCT
Q68	---	LEFT HEEL SIZE 46
Q116	---	SIMILARITIES WITH RIGHT SOLE SIZE 46

The K35 and K36 shoes were provided by UMA/BRUNO MAGLI and remained from the 1990-1992 distribution of these shoes in the United States. K35 is a "U.S. size 12" BRUNO MAGLI "LORENZO" style shoe with a "European size 46" "U 2887" sole. K36 is a "U.S. size 9 1/2" BRUNO MAGLI "LYON" style shoe with a "European size 42" "U 2887" sole. U.S. sales of shoes having the "U 2887" sole design made by SILGA of Italy and distributed through UMA/BRUNO MAGLI were very limited. Total distribution of "U.S. size 12" shoes was only 299 pairs comprised of 190 pairs of the "LORENZO" style, and 109 pairs of the "LYON" style.

The REEBOK shoes of ORENTHAL J. SIMPSON, K55/K56, are sized "US size 12 and European size 46 1/2."

A partial impression on the Q148 envelope corresponds with the "U 2887" sole design. The partial and otherwise limited nature of that impression precluded more detailed comparisons.

Two areas of the lower front side of the legs of the Q102 jeans contain at least two partial footwear impressions which may have been made by footwear with a "U 2887" sole design. In addition, one area of the front of the Q103 dress contains a partial heel impression which shares some similar features with the K28 left heel. Due to the limited nature of those impressions, more detailed comparisons were not made.

A patterned injury on victim NICOLE SIMPSON's back, depicted in the Q82 and Q83 photographs, contains features which have a general correspondence with some of the contour and general size features of the K28/K29 soles; however, there is insufficient detail present in that patterned injury to enable additional interpretation.

Due to the limited detail and nature of the impression areas of the beige colored floor mat (item #33), also represented in the Q100, Q101 and Q173 through Q201 photographs, a positive association could not be made with the "U 2887" sole pattern.

No examinations were conducted of the Q164 through Q169, Q170 through Q172, Q185/Q186 or Q202 photographs.

None of the bloody footwear impressions on the sidewalk, depicted throughout the Q48 through Q77 and Q105 through Q147 photographs, were associated with the design of the K37 or K55/K56 footwear.

Enclosed are photographs representing all of the photographic exposures described as Q100 and Q101, specialized photographs of the Q102 jeans and Q103 dress, an improved visualization of the Q83 photograph, K33, K34 and the ALSO SUBMITTED computer printout, K35, K36, Q87 through Q99, K37; the Q105 through Q147 and Q164 through Q202 photographs, Q163, and the K20 through K31 soles.

The head hairs removed from or found in specimens Q149 through Q159 do not represent a suitable known hair sample. Therefore, these hairs could not be used as a "standard" for comparison with previously recovered hairs.

No hairs microscopically like the known head hair standards from the victims (K1 and K4) were found on specimens Q160 through Q162. The black animal fur hair previously found in specimen Q25 (debris from GOLDMAN's shirt bag) is microscopically like dog hairs recovered from items submitted from RONALD GOLDMAN (Q149 through Q159) and, accordingly, could have originated from the same source.

No apparent interchange of textile fibers was detected between specimens Q160 through Q162 and items previously submitted from the crime scene/victims and from the leather glove recovered outside the residence of the suspect.

The submitted items will be returned separately.

Final report

Result of Examination:

This report supplements the FBI Laboratory reports dated September 7, 1994, October 3, 1994, October 20, 1994, December 13, 1994 and January 5, 1995. All of the requested examinations have been completed. For a complete listing of submitted items, please refer to these reports.

Paragraph three (3) of the FBI Laboratory report dated October 20, 1994 should be amended as follows:

It was determined that the footwear impressions represented in the Q48, Q51, Q52, Q54, Q55, Q60, Q61, Q64, Q68, Q70, Q71, Q72, Q74 and Q77 photographs correspond with the left European size 46 "U 2887" sole, K28, and it was determined that the footwear impressions represented in the Q49, Q53, Q56, Q59, Q62, Q65, Q66, Q73, and Q75 photographs correspond with the right European size 46 "U 2887" sole, K29. The European size 46 soles, as represented by K28, K29, K33, and K34, are used on U.S. size 12 shoes, as reflected in the K35 item, and based on industry confirmation and sizing reference information. Shoes which are manufactured for sale in the United States but which are fitted with European size 46 "U 2887" soles are sized and sold as U.S. size 12 shoes.

Q67	---	TOO INDISTINCT
Q68	---	LEFT HEEL SIZE 46
Q116	---	SIMILARITIES WITH RIGHT SOLE SIZE 46

The K35 and K36 shoes were provided by UMA/BRUNO MAGLI and remained from the 1990-1992 distribution of these shoes in the United States. K35 is a "U.S. size 12" BRUNO MAGLI "LORENZO" style shoe with a "European size 46" "U 2887" sole. K36 is a "U.S. size 9 1/2" BRUNO MAGLI "LYON" style shoe with a "European size 42" "U 2887" sole. U.S. sales of shoes having the "U 2887" sole design made by SILGA of Italy and distributed through UMA/BRUNO MAGLI were very limited. Total distribution of "U.S. size 12" shoes was only 299 pairs comprised of 190 pairs of the "LORENZO" style, and 109 pairs of the "LYON" style.

The REEBOK shoes of ORENTAL J. SIMPSON, K55/K56, are sized "US size 12 and European size 46 1/2."

A partial impression on the Q148 envelope corresponds with the "U 2887" sole design. The partial and otherwise limited nature of that impression precluded more detailed comparisons.

Two areas of the lower front side of the legs of the Q102 jeans contain at least two partial footwear impressions which may have been made by footwear with a "U 2887" sole design. In addition, one area of the front of the Q103 dress contains a partial heel impression which shares some similar features with the K28 left heel. Due to the limited nature of those impressions, more detailed comparisons were not made.

A patterned injury on victim NICOLE SIMPSON's back, depicted in the Q82 and Q83 photographs, contains features which have a general correspondence with some of the contour and general size features of the K28/K29 soles; however, there is insufficient detail present in that patterned injury to enable additional interpretation.

Due to the limited detail and nature of the impression areas of the beige colored floor mat (item #33), also represented in the Q100, Q101 and Q173-Q201 photographs, a positive association could not be made with the "U 2887" sole pattern.

No examinations were conducted of the Q164-Q169, Q170-Q172, Q185/Q186 or Q202 photographs.

None of the bloody footwear impressions on the sidewalk, depicted throughout the Q48-Q77 and Q105 through Q147 photographs, were associated with the design of the K37 or K55/K56 footwear.

Enclosed are photographs representing all of the photographic exposures described as Q100 and Q101, specialized photographs of the Q102 jeans and Q103 dress, an improved visualization of the Q83 photograph, K33, K34 and the ALSO SUBMITTED computer printout, K35, K36, Q87 through Q99, K37; the Q105 through Q147 and Q164 through Q202 photographs, Q163, and the K20 through K31 soles.

CLASSIFICATIONS OF BOOKED PROPERTY:

Evidence - Items which are, or may be, related to a crime, or which may either implicate or exonerate a person.

Non-Evidence - Property other than evidence or an arrestee's excess personal property.

WHO TO BOOK PROPERTY TO:

Evidence - 1. If related to previously booked evidence, book to same person or firm as on original report. (Use original DR and continue item numbers in sequence.) 2. If not related to previously booked evidence, book to arrestee. 3. If no arrestee, book to victim. 4. If no arrestee or victim, book to owner or possessor. 5. If 1, 2, 3, and 4 do not apply, book to Department employee.

Non-Evidence - 1. Book to owner. 2. If ownership cannot be determined, book to finder.

EXCEPTION: When non-evidence is removed from a vehicle, and the owner of the property is unknown, book it to the registered owner. When neither is known, book it to the employee.

REPORT REQUIRED FOR BOOKING EVIDENCE:

The employee booking the evidence shall ensure that the correct property information is forwarded with the evidence. (Two copies of reports are required if the evidence is narcotics or firearms, or if blood or urine is booked within O-VB.)

If the Property Report is an evidence continuation page of an Arrest Report or PIR, staple the Property Report on top of the related Arrest Report (or PIR if no Arrest Report), and forward with evidence.

NOTE: If multiple arrestees are involved, the face sheet stapled to the Property Report should be that of the arrestee to whom the evidence is booked.

EXCEPTIONS TO USE OF COMBINED EVIDENCE / ARREST or PIR:

Use a Property Report completed in its entirety and distributed separately when:

- * Evidence is related to previously booked evidence.
- * Evidence is booked to other than the primary victim (listed at top) of a multiple victim PIR.
- * Reporting more than one license plate (or set of plates). One plate may be reported using the combined procedure. Each additional plate (or set of plates) requires a separate complete Property Report and a separate Vehicle DR number.
- * The reporting employee's supervisor determines that a separate complete Property Report would be a more expeditious means of booking the evidence under the given circumstances.

DISTRIBUTION OF COMBINED REPORT (Record Unit): Distribute the Property Report as a page of the related Arrest Report and PIR. In addition to that distribution, forward one copy of the Property Report independently as follows:

- * R & I CMRS (with ADRIS print out) if there is no crime report involved; i.e., if the report is a combined arrest/evidence.
- * R & I Crime and Property TT Unit Supervisor, if a firearm is booked. Forward this copy without delay.

Remarks:

For your information, Supervisory Special Agent [redacted] of the FBI Laboratory traveled to the SILGA GOMMA shoe factory in Civitino Marche, Italy on January 23, 1995 where he examined the "U2887" molds and obtained left and right soles molded in the European size 46 "U2887" mold. These soles were then taken the same day to the Calzaturificio "4C" factory where they were attached to BRUNO MAGLI uppers on the "4C" American size 12 lasts and made into a pair of BRUNO MAGLI shoes, American size 12. These shoes were built in an identical manner to and on the same size 12 lasts as the BRUNO MAGLI shoes of this design which had been previously manufactured by these same factories for shipment to UMA/BRUNO MAGLI and distribution in the United States. The pair of BRUNO MAGLI shoes and the American size 12 shoe lasts were turned over to a representative of the Los Angeles Police Department on February 13, 1995. Photographs of the size 12 BRUNO MAGLI shoes and lasts, and photographs taken at the SILGA and "4C" factories are enclosed herewith.

b6
b7C

Result of examination:

This report supplements the FBI Laboratory reports to your office dated September 7, 1994, October 3, 1994, October 20, 1994, November 15, 1994, December 13, 1994, January 5, 1995, January 13, 1995 and January 20, 1995. For a complete listing of the submitted items, please refer to these reports. Paragraphs three and four of page 3 of the FBI Laboratory report dated January 13, 1995, should be amended as follows:

It was determined that the footwear impressions represented in the Q48, Q51, Q52, Q54, Q55, Q60, Q61, Q64, Q65, Q68, Q70, Q71, Q72, Q74 and Q77 photographs correspond with the left European size 46 "U 2887" sole, K28, and it was determined that the footwear impressions represented in the Q49, Q53, Q56, Q59, Q62, Q66, Q73, and Q75 photographs correspond with the right European size 46 "U 2887" sole, K29. The European size 46 soles, as represented by K28, K29, K33, and K34, are used on U.S. size 12 shoes, as reflected in the K35 item, and based on industry confirmation and sizing reference information. Shoes which are manufactured for sale in the United States but which are fitted with European size 46 "U 2887" soles are sized and sold as U.S. size 12 shoes.

SHOE PRINT:

Comparisons were made of the footwear impressions depicted in the Q48 through Q77 and Q105 through Q116 photographs with the various "U 2887" SILGA outsoles described as K20 through K31 and K33 through K36. The majority of the discernable footwear impressions depicted in those photographs correspond with the "U 2887" design and specifically, with the "European size 46" left or right sole. A few of the impressions, as noted below, are too indistinct for detailed comparison.

<u>Q's</u>	<u>LETTER</u>	<u>PHOTO #</u>	<u>RESULTS</u>
Q48	A	P368	LEFT SOLE, SIZE 46
Q49	B	P369	RIGHT SOLE, SIZE 46

Q65	X	P385	LEFT HEEL/SOLE SIZE 46
Q66	Y	P386	RIGHT HEEL/SOLE SIZE 46
Q67	---	---	TOO INDISTINCT
Q68,	---	---	LEFT HEEL SIZE 46
Q116	---	---	SIMILARITIES WITH RIGHT SOLE SIZE 46

SHOE PRINT: (Q117 through Q147)

Q118 depicts a partial impression as depicted in Q67. That impression reflects some similar design features to the U2887 design but is too indistinct to enable further comparison.

Q119, Q120 and Q121 depict the same left heel impression described as Q68.

Q122 depicts multiple impressions on steps. On the second step is an impression previously described as Q48(A). On the third step is an impression previously described as Q49(B). To the left of Q49(B) are two faint impressions which share some limited design similarity with the U2887 sole design but are too indistinct to enable further comparison.

Q123 depicts multiple impressions, previously described as Q50(C), Q51(D), Q52(E) and Q53(F). Q124 depicts multiple impressions, previously described as Q52(E), Q53(F), Q54(G), Q55(H) and Q56(I). Q125 depicts multiple impressions previously described as Q54(G), Q55(H), Q56(I), Q57(J) and Q58(K). Q126 depicts impressions previously described as Q65(X) and Q66(Y).

Q130 through Q134, Q145 and Q146 collectively depict steps which include impressions AH (Q131), AI, AJ(132), AK, AL (Q133), AM, AN (Q146) and AO (Q145). Additional impressions on the edges of steps are depicted in Q137 through Q143. These impressions are too limited to enable a meaningful comparison.

Photographs Q117, Q127, Q128, Q129, Q135, Q136, Q144 and Q147 are general scene photographs which do not depict any additional detail with regard to the footwear impressions.

EDTA, a blood preservative, was identified on stains prepared from the K67 and K68 blood samples from NICOLE SIMPSON and ORENTAL J. SIMPSON, respectively. No EDTA was identified in the bloodstains removed from the Q204 swabbing of the rear gate at the crime scene and from the Q206 sock. Traces of EDTA were detected on the stained and unstained cutting from the victim's dress.

The analyses were performed on approximately two by five millimeter samples. The procedure was designed to identify EDTA in bloodstains of approximately one by one millimeter.

After the samples were cut, they were placed in a small amount of water to extract EDTA. After 40 minutes the samples were filtered and analyzed by liquid chromatography/mass spectrometry.

The items submitted in FBI Laboratory number 50217009 are being retained in the Laboratory.

☐ Mailed Back☐ Picked Up By Contributor

This evidence will remain in the custody of the FBI Laboratory while the examinations are being conducted. Following completion of the examinations, a report containing the results of the examinations and the disposition of the evidence will be forwarded to your department. If evidence is picked up personally, your representative should identify it with the Laboratory case number(s) assigned in the FBI Laboratory report.

RECEIVED

Director
Federal Bureau of Investigation

Remarks:

For your information, SSA [redacted] of the FBI Laboratory traveled to the SILGA GOMMA shoe factory in Civitinoval Marche, Italy on January 23, 1995 where he examined the "U2887" molds and obtained left and right soles molded in the European size 46 "U2887" mold. These soles were then taken the same day to the Calzaturificio "4C" factory where they were attached to BRUNO MAGLI uppers on the "4C" American size 12 lasts and made into a pair of BRUNO MAGLI shoes, American size 12. These shoes were built in an identical manner to and on the same size 12 lasts as the BRUNO MAGLI shoes of this design which had been previously manufactured by these same factories for shipment to UMA/BRUNO MAGLI and distribution in the United States. The pair of BRUNO MAGLI shoes and the American size 12 shoe lasts were turned over to a representative of the Los Angeles Police Department on February 13, 1995. Photographs of the size 12 BRUNO MAGLI shoes and lasts, and photographs taken at the SILGA and "4C" factories are enclosed herewith.

b7c

Results of examinations:

This report supplements the FBI Laboratory report dated January 13, 1995. Paragraph three and four of page 3 of that report should be amended as follows:

It was determined that the footwear impressions represented in the Q48, Q51, Q52, Q54, Q55, Q60, Q61, Q64, Q65, Q68, Q70, Q71, Q72, Q74 and Q77 photographs correspond with the left European size 46 "U 2887" sole, K28, and it was determined that the footwear impressions represented in the Q49, Q53, Q56, Q59, Q62, Q66, Q73, and Q75 photographs correspond with the right European size 46 "U 2887" sole, K29. The European size 46 soles, as represented by K28, K29, K33, and K34, are used on U.S. size 12 shoes, as reflected in the K35 item, and based on industry confirmation and sizing reference information. Shoes which are manufactured for sale in the United States but which are fitted with European size 46 "U 2887" soles are sized and sold as U.S. size 12 shoes.

SHOE PRINT:

Comparisons were made of the footwear impressions depicted in the Q48 through Q77 and Q105 through Q116 photographs with the various "U 2887" SILGA outsoles described as K20 through K31 and K33 through K36. The majority of the discernable footwear impressions depicted in those photographs correspond with the "U 2887" design and specifically, with the "European size 46" left or right soles. A few of the impressions, as noted below, are too indistinct for detailed comparison.

<u>Q's</u>	<u>LETTER</u>	<u>PHOTO #</u>	<u>RESULTS</u>
Q48	A	P368	LEFT SOLE, SIZE 46
Q49	B	P369	RIGHT SOLE, SIZE 46
Q50,69 & 105	C	P370/P47	SIMILARITIES TO RIGHT SOLE SIZE 46
Q51,70,106	D	P371/P48	LEFT SOLE, SIZE 46
Q52,71,72,& 107,108,110	E	P372/P49/P50	LEFT HEEL/SOLE SIZE 46
Q53,73,111 & 112	F	P373/51	RIGHT HEEL/SOLE SIZE 46
Q54,74,113	G	P374/P52	LEFT HEEL/SOLE SIZE 46
Q55	H	P375	LEFT HEEL/SOLE SIZE 46
Q56,75,115	I	P376/P55	RIGHT HEEL/SOLE SIZE 46
Q57,76,114	J	P377,P56	TOO INDISTINCT
Q58	K	P378	TOO INDISTINCT
Q59	L	P379	RIGHT HEEL/SOLE SIZE 46
60	M	P380	LEFT SOLE SIZE 46
Q61,77,109	N	P381/P57	LEFT HEEL, SIZE 46
Q62	O	P382	RIGHT HEEL/SOLE SIZE 46
Q63	P	P383	TOO INDISTINCT
Q64	S	P384	LEFT HEEL SIZE 46
Q65	X	P385	LEFT HEEL/SOLE SIZE 46
Q66	Y	P386	RIGHT HEEL/SOLE SIZE 46
Q67	---	---	TOO INDISTINCT
Q68,	---	---	LEFT HEEL SIZE 46
Q116	---	---	SIMILARITIES WITH RIGHT SOLE SIZE 46

SHOE PRINT: (Q117 through Q147)

Q118 depicts a partial impression as depicted in Q67. That impression reflects some similar design features to the U2887 design but is too indistinct to enable further comparison.

Q119, Q120 and Q121 depict the same left heel impression described as Q68.

Q122 depicts multiple impressions on steps. On the second step is an impression previously described as Q48(A). On the third step is an impression previously described as Q49(B). To the left of Q49(B) are two faint impressions which share some limited design similarity with the U2887 sole design but are too indistinct to enable further comparison.

Q123 depicts multiple impressions, previously described as Q50(C), Q51(D), Q52(E) and Q53(F). Q124 depicts multiple impressions, previously described as Q52(E), Q53(F), Q54(G), Q55(H) and Q56(I). Q125 depicts multiple impressions previously described as Q54(G), Q55(H), Q56(I), Q57(J) and Q58(K). Q126 depicts impressions previously described as Q65(X) and Q66(Y).

Q130 through Q134, Q145 and Q146 collectively depict steps which include impressions AH (Q131), AI, AJ(132), AK, AL (Q133), AM, AN (Q146) and AO (Q145). Additional impressions on the edges of steps are depicted in Q137 through Q143. These impressions are too limited to enable a meaningful comparison.

Photographs Q117, Q127, Q128, Q129, Q135, Q136, Q144 and Q147 are general scene photographs which do not depict any additional detail with regard to the footwear impressions.

Specimens: Q205: Two types of dark fibers

Request: Qualitative analysis

Methods: A small piece of each fiber type was flattened with a metal roller and placed on a KBr window for analysis by transmission. A Nicolet 710 FT-IR spectrometer and a Nic-Plan IR microscope were used for the analyses. 128 scans were coadded for each spectrum at 4 cm^{-1} resolution.

Results: The IR spectrum of fiber "A" is consistent with that of nylon 6. The spectrum of fiber "B" is consistent with the presence of protein and acrylonitrile and was not further identified.

FT-IR: SPEC EXAM
1 2

K68 BLOOD SAMPLES FROM ORENTHAL J. SIMPSON

Result of examination:

This report supplements previous Laboratory reports to your office. For a listing of specimen K68, please refer to the report dated March 1, 1995.

No methamphetamine was identified in the K68 blood.

The submitted evidence is being retained in the Laboratory until called for by a designated representative.

Rec K68 from UJ packaged same as when returned to UJ in February.

Microscopic analysis of purple top -- only one hole.

Approximately 2 ml of blood, extracted one ml for methamphetamine and basics. Added 100ng of D5 methamphetamine and D3 amphetamine. Also three standards a control and a blank were run at 20/50/100/50/0 ng/ml.

SP/MS was neg for methamphetamine at 20ng/ml.

GC/MS was neg for basic drugs.

K68 BLOOD SAMPLES FROM ORENTHAL J. SIMPSON

Result of examination:

This report supplements previous Laboratory reports to your office. For a listing of specimen K68, please refer to the report dated March 1, 1995.

No methamphetamine was identified in the K68 blood.

The submitted evidence is being retained in the Laboratory until called for by a designated representative.

(5)

This Report Is Furnished For Official Use Only

The following procedure has been reviewed and approved for use by personnel of the Chemistry-Toxicology Unit (CTU) of the FBI Laboratory. This action does not signify this procedure to be mandated to the extent that it precludes the use of variations of this procedure or different procedures for accomplishing the desired assay. Physical and personnel resources, technological change, and examiner preference (within the bounds of good laboratory technique and quality control) determine what examination procedures are appropriate and/or acceptable for a given set of circumstances as encountered in the CTU.

**AMPHETAMINES IN BIOLOGICALS BY
CHEMICAL IONIZATION TANDEM MASS SPECTROMETRY**

PROCEDURE:

1. To properly labelled 16 x 150mm screw-top tubes add ^{1.0}~~2.5~~ mLs of control or questioned specimen (2.5 mLs fluid or 2.5 g of tissue homogenate). 4/4/95
2. Add ¹⁰⁰~~250~~ ^{0.10}~~25~~ μ Ls each of D₃-Amphetamine and D₅-Methamphetamine (0.25 μ g; 100 ng/mL) working solutions. Bring to 5 mLs with distilled water. Add 10 mLs of ethyl ether to each tube. Extract for 5 minutes. b6
b7C
3. Add 10 drops of 5N NaOH. Extract for an additional 20 minutes. Centrifuge.
4. a) **FOR ALL BIOLOGICALS EXCEPT TISSUES:** Transfer organic (top) layer to a clean screw-top tube. Add 5 mLs of 0.5N H₂SO₄ and extract for 20 minutes. Centrifuge.
b) **FOR TISSUES:** Transfer organic (top) layer to a clean screw-top tube. Add 5 mLs of 0.1 N NaOH and wash ether for 10 minutes. Transfer ether to a clean test tube. Add 5 mLs of 0.5N H₂SO₄ and extract for 20 minutes. Centrifuge.
5. Aspirate off the organic (top) layer. Transfer acid layer to clean screw-top tube. Add 1 mL of 5N NaOH. Check pH. Add 3 mLs of chloroform. Gently vortex for two minutes. Centrifuge.
6. Dry and filter chloroform (bottom) layer through Na₂SO₄ and glass wool. Collect filtrate in a 5-mL test tube. ADD TWO (2) DROPS 1N HCL/MEOH (1:1). Carefully vortex.
7. Evaporate to dryness.
8. Reconstitute with 15 μ Ls MeOH and split into two probe cups.

Evaporate to dryness in 90°C oven. DO NOT LET EXTRACTS STAY IN OVEN LONGER THAN NECESSARY.

9. The residues are assayed using solids probe chemical ionization tandem mass spectrometry operated in parent-ion and neutral-loss modes.

INSTRUMENTATION CONDITIONS:

The following instrumental conditions are used in the *qualitative and quantitative assay for methamphetamine* and the *qualitative assay for amphetamine*:

Parents of 91 m/z (Collision offset -10 Volts):

Quad 1: Scan ^{134 157}130-158, 0.5 second scan
Quad 2: Collision Induced Dissociation (Argon)
Quad 3: Set mass 91

These conditions are loaded automatically using the ICL procedure "METH".

Probe: 30 -> 375°C (0.43 minute)
375°C (2.00 minutes)

Methamphetamine parents are 150 m/z.
D₅-Methamphetamine parent is 155 m/z.
Amphetamine parents are 136 m/z.

The following instrumental conditions are used for the *confirmation of methamphetamine*:

Daughters of 150 m/z (Collision offset -20 Volts):

Quad 1: Set mass 150
Quad 2: Collision Induced Dissociation (Argon)
Quad 3: Scan 80 -> 153, 1 second scan

Probe: As above

Methamphetamine daughters are 91 and 119 m/z.

The following instrumental conditions are used in the *quantitative assay for amphetamine*:

Neutral Loss 17 m/z (Collision offset -10 Volts):

Quad 1: Scan 134 -> 140, 1 second scan
Quad 2: Set Mass 17 m/z

Quad 3: 117 -> 123, 1 second scan

These conditions are loaded automatically using the ICL procedures ".NEU"; ".SM=17"; "S 134,140,1"

Probe: As above

Amphetamine's M+ is 136 m/z.

D₃-Amphetamine's M+ is 139 m/z.

Daughters of 136 m/z (Collision offset -10 Volts):

Quad 1: Set mass 136

Quad 2: Collision Induced Dissociation (Argon)

Quad 3: Scan 80 -> 140, 1 second scan

Probe: As above

Amphetamine daughters are 91 and 119 m/z.

QUANTITATION:

The ion abundances for amphetamine (136 m/z) and D₃-amphetamine (139 m/z) are compared for quantitation of amphetamine.

A₁₃₆

--- x [D₃-Amphetamine] = [Amphetamine]

A₁₃₉

The ion abundances for methamphetamine (150 m/z) and D₅-methamphetamine (155 m/z) are compared for quantitation of methamphetamine.

A₁₅₀

--- x [D₅-Methamphetamine] = [Methamphetamine]

A₁₅₅

This Report Is Furnished For Official Use Only

RESUBMITTED ITEMS FROM FBI LABORATORY NUMBER 40929001 S UJ:

SPECIMENS Q84 THROUGH Q86

GLASS MICROSCOPE SLIDES AND PILLBOXES FROM SPECIMENS
Q84 THROUGH Q86

RESUBMITTED ITEMS FROM FBI LABORATORY NUMBER 40808026 S UJ:

SPECIMENS Q3, Q4, Q7, Q8A, Q8B, Q8C, K7, Q20 THROUGH
Q26, Q35 THROUGH Q37

EIGHTY-SEVEN (87) MICROSCOPE SLIDES FROM Q3 THROUGH
Q26, Q28 THROUGH Q37, Q47, K7 AND K17

TWELVE (12) PILLBOXES FROM SPECIMENS Q20 THROUGH Q25,
Q33, Q34 AND Q47

Result of examination:

No head hairs microscopically like those found in
specimen K69 were found on or in items previously submitted
from the crime scene/victims (FBI Laboratory report dated
September 7, 1994).

No human hairs were found on specimens Q208 through
Q217.

The submitted items were returned to Investigator
 on April 17, 1995.

Re: PEOPLE V. ORENTHAL J. SIMPSON; CASE NO. BA097211

Dear Mr. [Redacted]:

Based upon my review of our documents the following is a list of items for which we do not presently have final test result reports: Q4, Q5, Q6, Q9, Q15, Q19, Q24, Q25, Q27, Q80, Q81, Q84, Q85, and Q86. In addition, we do not have any reports concerning F.B.I. laboratory testing of L.A.F.D. item #285. It would be of tremendous assistance to me if you could forward to this office any final reports you have pertaining to the aforementioned items. If testing has not been performed, I would appreciate that information as well.

I apologize for any inconvenience this request may cause you. Should you have any questions please contact me at [Redacted] Thank you for your cooperation.

Yours truly,

GIL GARCETTI
District Attorney

Dear [redacted]

The results of hair and fiber examinations conducted on evidence submitted in your case entitled PEOPLE V. ORENTHAL J. SIMPSON can be found in FBI Laboratory reports previously submitted to your office. The results of other hair and fiber examinations and comparisons are included in copies of FBI Laboratory notes previously furnished to your office. The following information reflects Laboratory notes pertaining to your requests:

- Q4 - Q6: Head hairs like K7 (O.J. Simpson)
Negroid hair fragments (not suitable)
Cat hair
Wool fibers like cap (see report dated 1/5/95)
- Q9: White animal hair fragment (not suitable)
Several dark brown human hair fragments (not suitable)
- Q15: Dyed Caucasian head hair fragment (unlike knowns)
Blonde Caucasian head hair fragment (not suitable)
Brown Caucasian head hair fragment (not suitable)
- Q19: Light brown Caucasian head hair - treated
(unlike knowns)

(CONTINUED-OVER)

b6
b7c

Q24: Blonde Caucasian head hairs like K4
White dog hair like K54
Cat hair
Green cotton fiber

Q25: White dog hairs like K54
Black dog fur hair like K53/Q149-Q159 dog hairs
Caucasian limb hair

Q27: Hair fragment (not suitable)
Negroid limb hairs
Negroid pubic hair
Negroid hair fragment (not suitable)
miscellaneous textile fibers

Q80 - Q81: Negroid limb hair
Head hairs/fragments like victims' knowns
Blue acrylic fiber like Q47 (knit hat)

Note: Q80 and Q81 represent LAPD item #285

Q84 - Q86: Previously reported

If I can be of further assistance to you, please let me know.

Sincerely,

Unit Chief
Hairs and Fibers Unit
Laboratory Division

3931

with having been produced by GOLDMAN's shirt. The imprint patterns found on the blue jeans; however, could not be positively associated with GOLDMAN's shirt.

Imprint patterns found on the envelope and piece of paper recovered from the crime scene are like test imprint patterns produced by RONALD GOLDMAN's blue jeans (K74) and are consistent with having been produced by GOLDMAN's blue jeans. The imprint patterns found on the paper and envelope; however, could not be positively associated with GOLDMAN's blue jeans.

No imprint patterns like those produced by RONALD GOLDMAN's shoes (K76) were found on the blue jeans, piece of paper or envelope.

The submitted items are being returned separately.

Goldman's blue jean exam (from photographs)

general description : heavily bloodstained - imprint patterns observed on right leg above knee and below knee (front)

The above-cited imprint patterns have been photographed and circled → on 1 X 1 black and white photographs and on color photo of jeans.

Several areas depict imprint patterns consistent with test imprint patterns from Goldman's shirt (K75)

Imprints on jeans enlarged 4X for detail.

Test imprint patterns show a couple of distinct patterns. These were marked Test Area A and Test Area B on overlays prepared from K75. Test area A has pattern exhibited on jeans.

Envelope : photograph of envelope provided by SA depicts imprint pattern in upper right hand corner of backside of envelope. This area is approx. $\frac{1}{2}$ " X $\frac{3}{8}$ " and the ^{ribbed} pattern measures $\sim \frac{1}{16}$ " between ribs.

b6
b7C

The test imprint patterns of Goldman's ^(K74) jeans are consistent with imprint pattern found on envelope.

Piece of paper : photograph of paper (from crime scene) exhibits imprint pattern consistent with Goldman's jeans test imprint

b7c

For the information of the Bureau and receiving offices, FBI Laboratory Examiners have been able to conclude, through examination of bloody footwear impressions left at the SIMPSON homicide crime scene, that the murderer wore size 12 Bruno Magli, style "Lorenzo" or "Lyon", shoes. Both styles have the same tread pattern and sole, with the Lorenzo being a low cut lace-up boot style, and the Lyon being a standard lace-up style. The sole is a black rubber "cup sole" and the uppers are full leather. This shoe was made in Italy, retailed for \$160, and has very unique sole and tread characteristics, which allowed examiners to reach this conclusion with certainty.

Investigation has determined that this shoe is very unique and was only distributed between August 1990 and May 1993 to 40 retail stores in the United States. It was also determined that only 296 pairs of those shoes were size 12. It should be noted that some of the 40 stores, marked "Closeout", received unsold shoes from other stores for reduced price sales.

Investigation has also determined that O.J. Simpson wears size 12 shoes, and that Nicole Brown Simpson did own Bruno Magli shoes. The Los Angeles Police Department has requested FBI assistance in an attempt to locate records and witnesses regarding the sale of the shoes in question to anyone, specifically to SIMPSON or his ex-wife Nicole Brown Simpson.

REQUEST OF RECEIVING OFFICES

Inasmuch as the SIMPSON murder trial has commenced, expeditious coverage of leads set forth herein is requested.

Each receiving office is requested to contact the Bruno Magli retail distributor noted below and conduct the following investigation:

1. Under no circumstance should the interviewing agents mention that this investigation concerns O.J. Simpson or the homicide investigation in Los Angeles, California.

2. Interviewing agents should state that this is a routine investigation, and that they are attempting to track size 12 Bruno Magli shoes in style Lorenzo or Lyon.

3. Bruno Magli has furnished the FBI with order numbers, dates and the number of size 12 shoes received by each retail store. Agents should attempt to obtain any records of the receipt, sales or return of those shoes.

4. If the company has customer sales records, those records should be reviewed by agents in order to identify all purchasers of the shoes in question, specifically O.J. and Nicole Brown Simpson.

5. If the company does not have any records, agents should identify all salespeople and managers during the period in question. Those people should be interviewed in an effort to elicit their recollection of the sales of the shoes in question to anyone, specifically to any celebrities, or celebrity family members. If they mention Simpson or his ex-wife, treat that information as routine and note any other individuals that they mention.

6. Agents should also inquire about lists of regular customers on file, or the possibility of a company representative who handles celebrity accounts. If identified, the company representative can be interviewed as noted above.

TO : DIRECTOR, FBI

FROM : SAC, PHOENIX (62D-LA-172638) (RUC)

SUBJECT : ORENTHAL JAMES SIMPSON, AKA
 O.J. SIMPSON;
 HOMICIDE INVESTIGATION;
 DPC;
 OO: LOS ANGELES

Re airtel from Los Angeles to Director, Phoenix and other field offices, dated 10/4/94.

Enclosed for Los Angeles is 35 receipts from the BRUNO MAGLI SHOE STORE, 2542 East Camelback Road, Phoenix, Arizona 85016, telephone number (602) 956-6661. The enclosed receipts are either Lorenzo or Lyon type shoes sale records, and the receipts, with their SKU numbers begin with the number 365 and two additional numbers for the Lyon type shoe, and number 368 and two additional numbers for the Lorenzo type shoe.

These receipts are sent to Los Angeles with the credit card slips if possible, or names of the purchasers based on AMERICAN EXPRESS charge slip. It should be noted that some of the signatures are not legible, and therefore are also included due to the shoe types being bought by these individuals as set forth in lead from Los Angeles.

Los Angeles should also be aware that the BRUNO MAGLI STORE did not have the size shoe on their sales slips that are enclosed from Phoenix, so that is also another reason why all sales slips are being sent to Los Angeles.

SUBJECT: ORENTHAL JAMES SIMPSON, AKA O J SIMPSON; HOMICIDE
INVESTIGATION; DPC; OO: LOS ANGELES.

DUE TO THE INTENSE MEDIA INTEREST IN CAPTIONED MATTER,
AND THE POTENTIAL PREJUDICIAL IMPACT THAT PUBLIC DISSEMINATION
COULD HAVE ON PENDING CRIMINAL PROCEEDINGS, THE FOLLOWING
INFORMATION SHOULD BE HANDLED ON A STRICT NEED TO KNOW BASIS,
AND SHOULD NOT BE DISSEMINATED OUTSIDE THE FBI. ANY MEDIA
INQUIRIES SHOULD BE DIRECTED TO THE LOS ANGELES POLICE

DEPARTMENT (LAPD).

RE LOS ANGELES AIRTEL TO THE DIRECTOR, DATED 10/4/94.

REFERENCED AIRTEL SET FORTH LEADS IN APPROXIMATELY 40 RETAIL SHOE STORES ACROSS THE UNITED STATES AND PUERTO RICO, IN AN ATTEMPT TO TRACK THE SALE/PURCHASE OF BRUNO MAGLI STYLE "LORENZO" AND "LYON" SIZE 12 SHOES. IT HAS BEEN DETERMINED, THROUGH EXAMINATION OF BLOODY FOOTWEAR IMPRESSIONS LEFT AT THE HOMICIDE CRIME SCENE, THAT THE MURDERER WORN THE ABOVE DESCRIBED SHOES. AT THE TIME, THE LAPD REQUESTED THAT NO MENTION OF THE CAPTIONED INVESTIGATION OR THE NAME O J SIMPSON BE MADE DURING THE COVERAGE OF THE LEADS. THE INITIAL RESULTS OF THAT SEARCH FAILED TO DISCLOSE THE SALE OF THE PERTINENT SHOES TO CAPTIONED SUBJECT.

LAPD DETECTIVES AND LOS ANGELES COUNTY DEPUTY DISTRICT ATTORNEY [REDACTED] HAVE NOW REQUESTED THAT THE FBI ASSIST THEM BY RE-CONTACTING THE SAME 40 STORES AND ASK MORE SPECIFIC QUESTIONS. AGENTS ARE REQUESTED TO CONDUCT FOLLOW-UP INVESTIGATION AT THE RETAIL SHOE STORES LISTED IN REFERENCED AIRTEL. AGENTS SHOULD ADVISE THE APPROPRIATE STORE PERSONNEL THAT THIS MATTER CONCERNS CAPTIONED INVESTIGATION AND ASK IF

b6
b7c

PAGE FOUR DE FBILA 0011 UNCLAS

THE STORE HAS ANY RECORDS OR RECOLLECTION THAT O J SIMPSON SHOPPED THERE. IT SHOULD ALSO BE DETERMINED IF THE STORE MAINTAINS ANY TYPE OF CUSTOMER PROFILE LIST, OR A RECORD OF SHOE SIZES OF CUSTOMERS. A RECORD THAT SIMPSON WEARS OR BOUGHT SIZE 12 SHOES WOULD BE OF EVIDENTIARY VALUE, EVEN IF IT WERE NOT FOR THE ABOVE DESCRIBED BRUNO MAGLI SHOES. LASTLY, THROUGH REVEALING SIMPSONS NAME, AGENTS ARE REQUESTED TO DETERMINE IF THE STORE CAN SUBSTANTIATE A SALE OF THE BRUNO MAGLI SHOES TO HIM.

IF A SALE OF THE BRUNO MAGLI SHOES TO SIMPSON IS IDENTIFIED, LEAD AGENT SHOULD IMMEDIATELY CONTACT LOS ANGELES TO COORDINATE ADDITIONAL INVESTIGATION.

LEADS.

EACH RECEIVING OFFICE IS REQUESTED TO RE-CONTACT THE BRUNO MAGLI RETAIL SHOE STORE AS NOTED IN REFERENCED AIRTEL, AND CONDUCT INVESTIGATION AS REQUESTED ABOVE.

[] DID NOT HAVE ANY ADDITIONAL INFORMATION CONCERNING RECORDS OF CUSTOMERS CONCERNING THE SALE OF BRUNO MAGLI SHOES KNOWN AS LORENZO. [] REVIEWED THOSE RECORDS, WHICH WERE MADE AVAILABLE TO DENVER AGENTS ON 10/7/94, AND THEY REFLECTED THAT

[]
CUSTOMER PURCHASING LORENZO.

INTERVIEWING AGENTS ADVISED [] OF THE NATURE OF THIS INVESTIGATION, AND [] INDICATED THAT [] WOULD NOT DISCUSS THIS MATTER WITH ANYBODY OTHER THAN []

b6
b7C

[] FURTHER ADVISED THAT [] STORE DOES NOT MAINTAIN A CUSTOMER PROFILE LIST, OR A RECORD OF SHOE SIZES OF CUSTOMERS.

TOM JAMES OF DENVER IS A SMALL PERSONALIZED CLOTHIER, AND IF ANYONE OF NOTORIETY WAS A CUSTOMER, [] WOULD KNOW.
